The sky's no limit

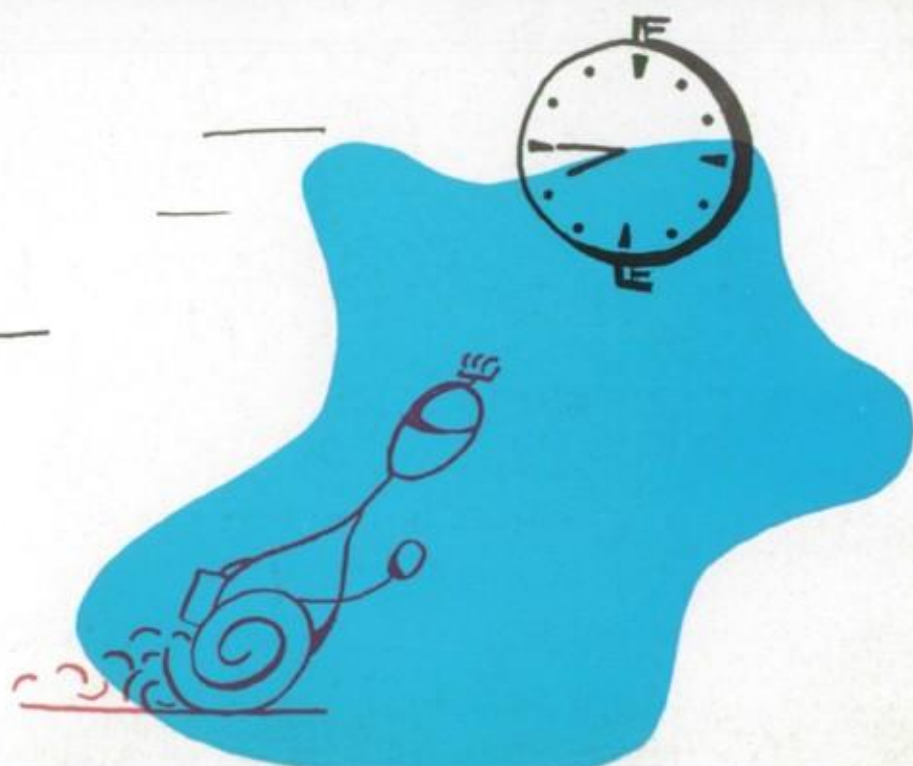

Just as our friend, Oozal, visiting us from a planet out of this world, has discovered, the sky can no longer be the symbolic limit of achievement. To us it is merely an obsolete barrier.

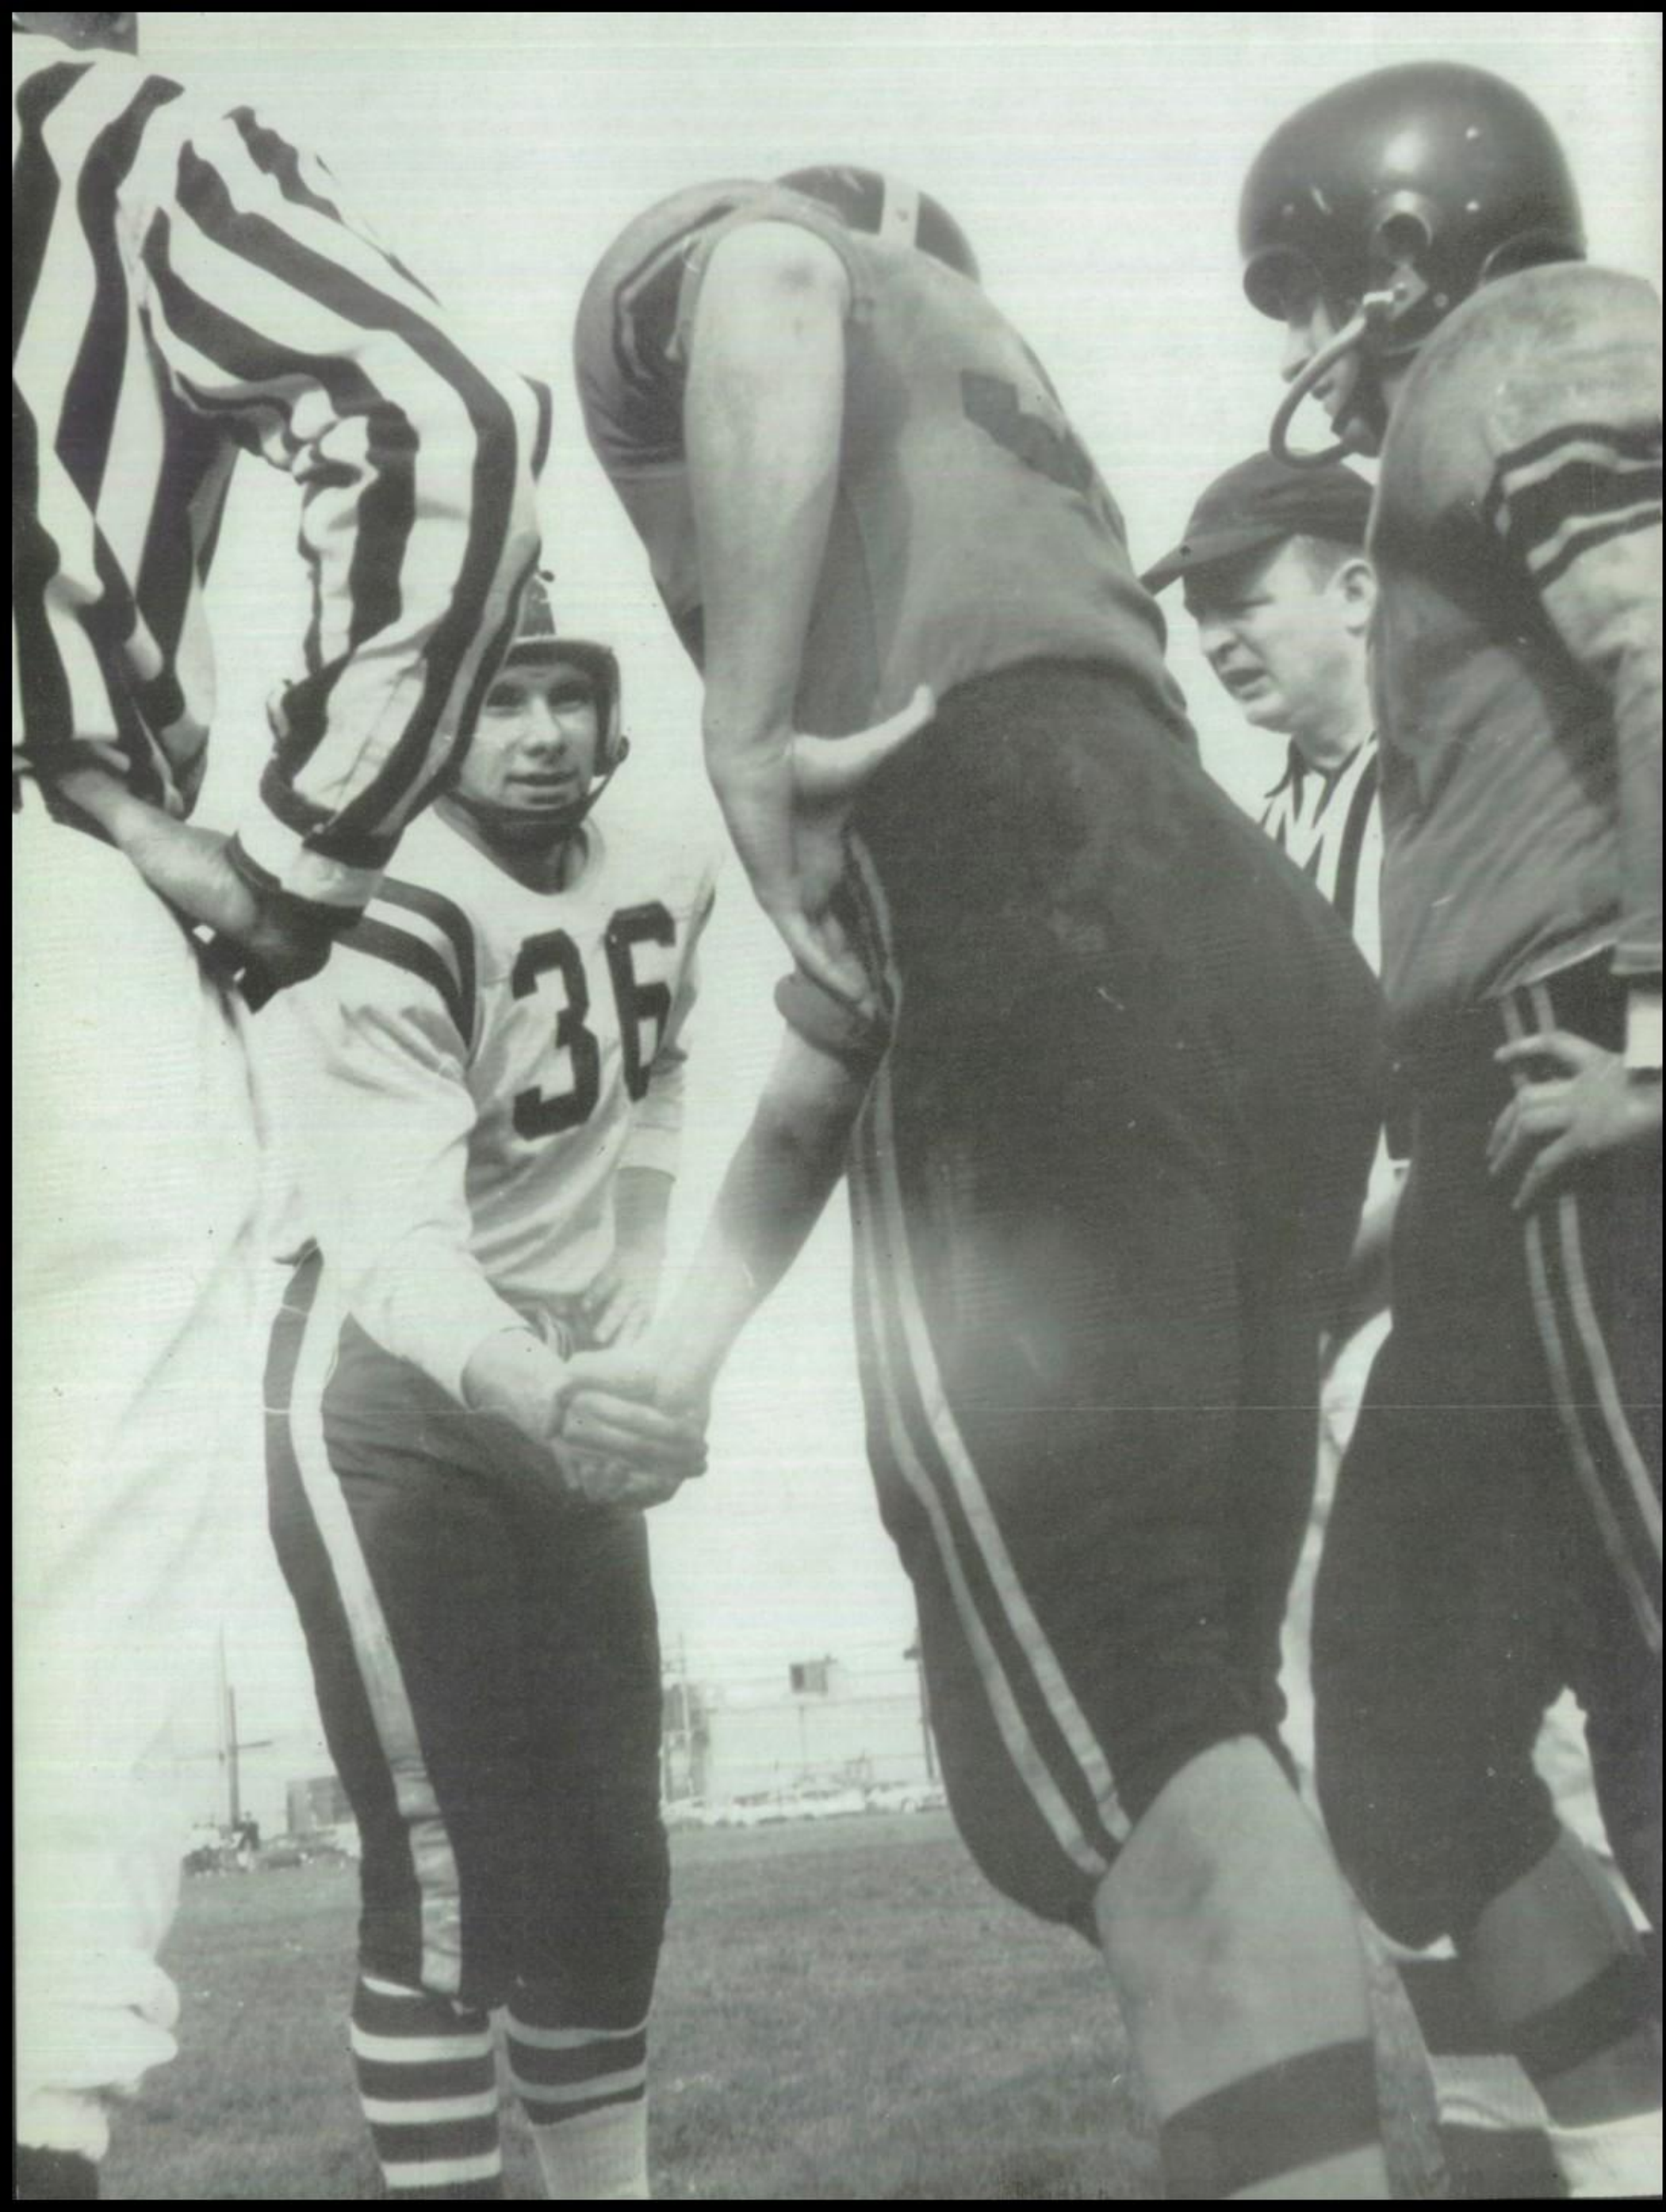

The sky's no limit!

We can fulfill the dreams of yesterday, today, and millions of tomorrows by taking advantage of the limitless opportunities which Morton offers to us — opportunities which aid us in realizing our future plans, whether they be in vocational, musical, or professional fields.

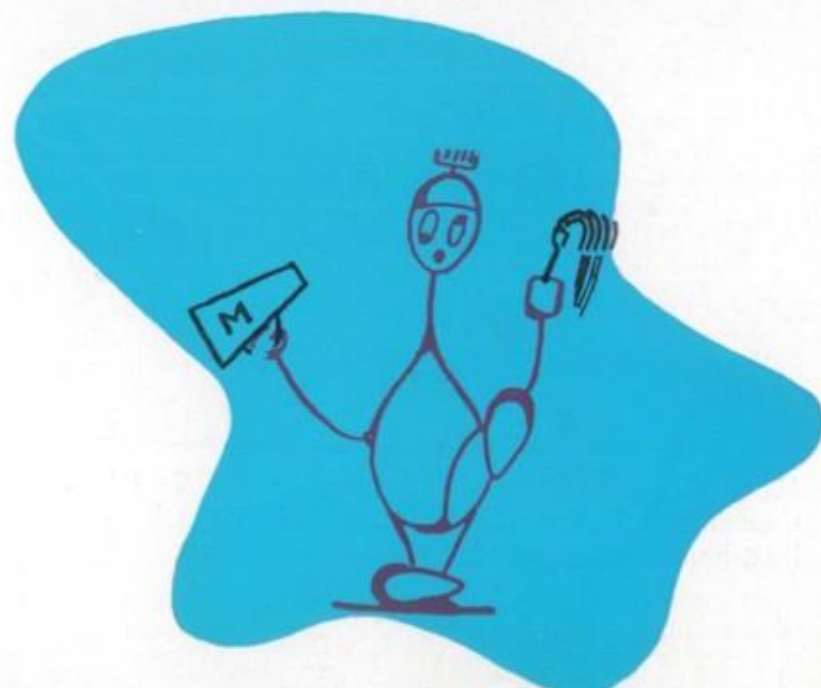

Morton is the place to begin working toward our future destiny. The guidance and activities offered to us are like a great compound of many elements, united to yield a new, more powerful substance—school spirit and brotherhood.

Let us go along with our friend Oozal as he visits Morton. Perhaps he can help us set our course for the stars.

After all, the sky's no limit.

Dan Belloc and his band provide the proper rhythm to keep the high spirits rolling along.

Marching along is less tiresome for paraders when accompanied by the strains of a brisk tune provided by the marching band.

Filled to capacity, the auditorium resounds with the voices of hundreds of

Many Activities Highlight

Many clever and colorful floats, like the Social Committee's "Cage 'Em", participated in the brilliant homecoming parade.

Tension mounts in the spectators as the teams struggle for the control of the ball in our homecoming game against New Trier.

students as homecoming activities get under way with a successful rally.

Head varsity coach Regan directs an order to the team while others on the sidelines intently watch the proceedings of the game.

Booster Club's entry, a first prize winner, is an example of the fine craftsmanship employed in the construction of the floats.

Homecoming Festivities

Sandy Conery and Karin Stephan reign happily over their domain of the evening's festivities as varsity and frosh-soph queens respectively.

Dancers whirl amid a carnival atmosphere at the annual homecoming dance entitled "Football Carousel".

Mr. Kasik and faculty members take time out for refreshments and relaxation at the faculty tea sponsored by the M.S.G.A.

Enthusiasts Enjoy

Juniors gather around the display of class rings trying with great difficulty to decide upon the right selections.

Miss Tarachas's art class is the setting for this scene at open house. Parents are invited to see the various academic activities that are carried on by students during the school year.

Three "bubbies" weigh anchor in preparation to cross the "ocean" in a comedy sketch from the swim show "As We See It".

Swimmers give their interpretation of musical pieces in the Egyptian sun dance and other numbers through synchronized swimming and aquatic acrobatics.

Varied Activities

Richard Kalus and Sandy Lebeda drum out a hot tune at the talent assembly produced by the members of the Talent Club.

SCHOOL SUPPLIES

Students assemble in front of the school supply store everyday while Mr. Lokay works feverishly to answer their needs for materials.

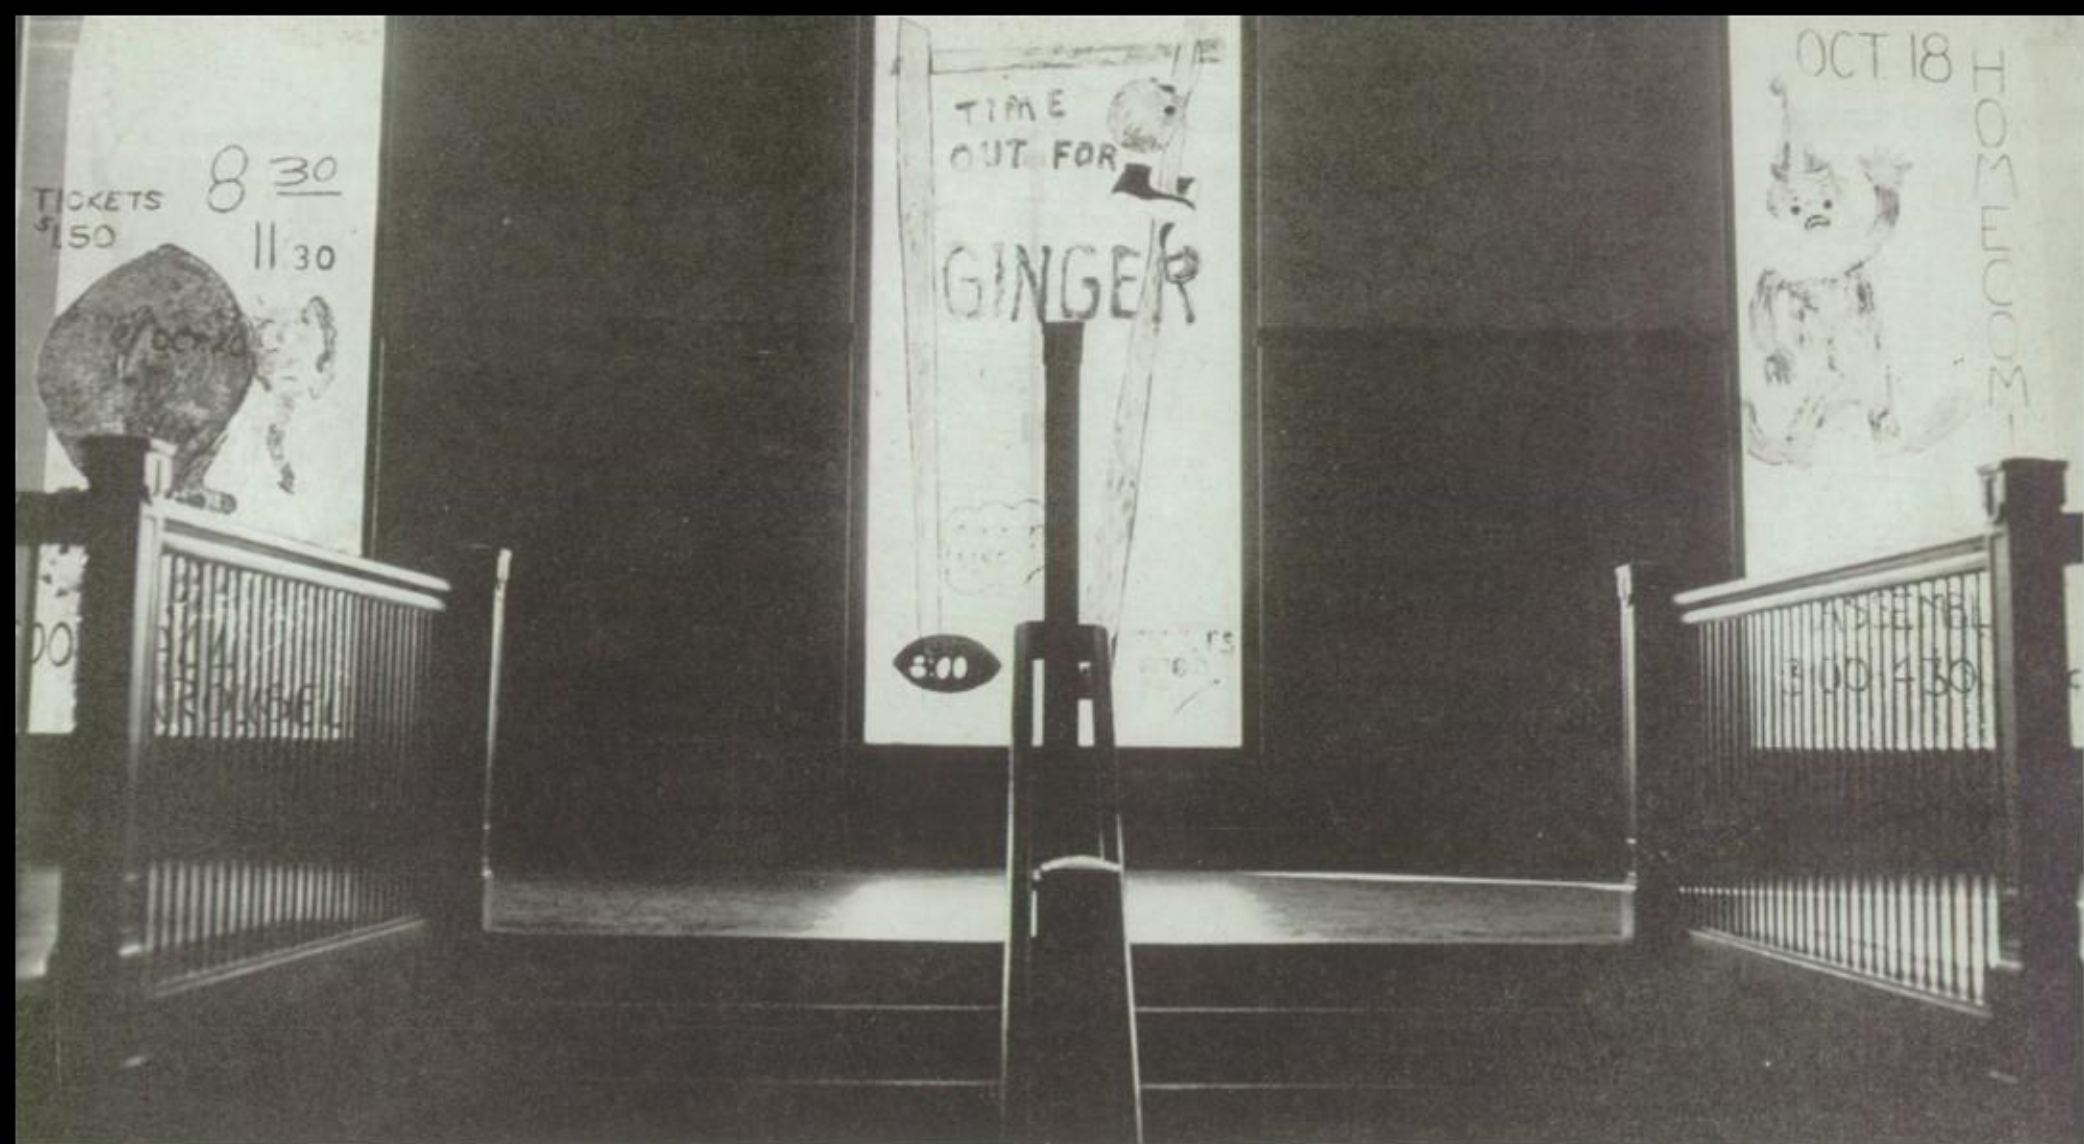

Participation for

"Here are your cupcakes" is the greeting cheerfully sung out by members of the Tumbling Club at their fund raising cupcake sale.

Enthusiastic students will demonstrate school spirit and back our teams at the games with the beanies and rah-rahs sold by Jan Kaage from the M.S.G.A.

Dramatic lighting created by a late afternoon sun emphasizes the emptiness of the 25th street corridors during classes.

Service and Recreation

Dr. Cooper announces Joyce Opalecky Snow Queen of the Christmas dance, at last ending everyone's guesses as to whom of the ten candidates would receive the title.

Entering through golden portals at the Christmas dance, "City of Angels", couples view the center piece, a large revolving angel.

True rock and roll music and style was vividly demonstrated by the indefatigable Cheerful Earfuls, masters in their line, at the Christmas seal program.

Christmas carols and an array of many delicious foods enhanced members of the faculty at their annual Christmas party.

Supply depot of all school textbooks is the bookstore directed by Mr. Wallenga.

New books ranging from adventure to the fine art of ballet are presented in eye-catching settings in the non-fiction library's display case.

Artistically inclined students get a chance to display their work and talents in the art department's showcase.

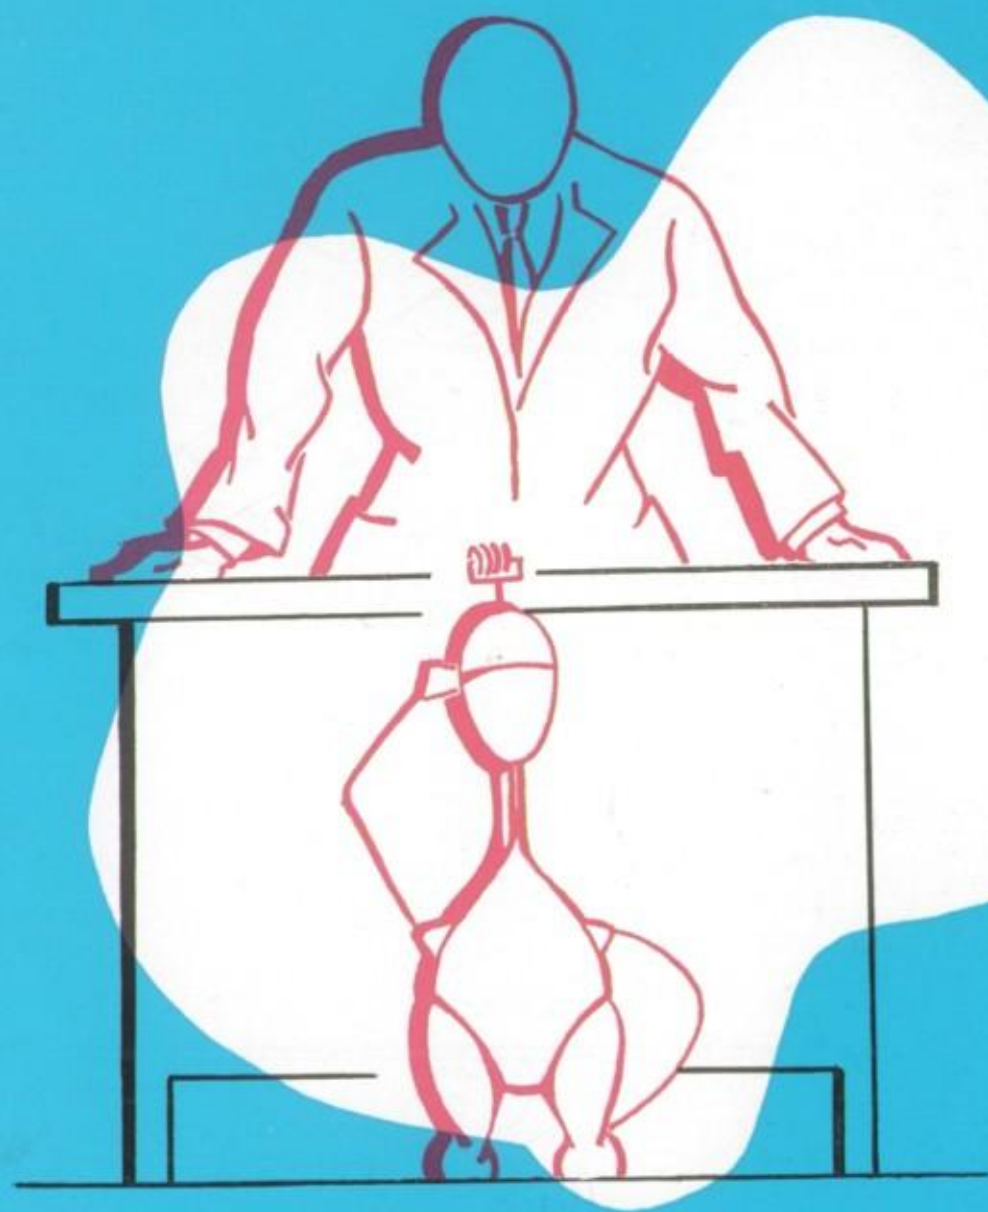

Voices of choir members blend in perfect harmony to sing out the joys of Christmastime.

FACULTY

Board of Education

Standing: MR. OTTO OPLATKA
MR. OTTO PECHA, JR.
MR. JAMES ZOUREK
MR. CHARLES MATT

Seated: MR. JOSEPH B. MRIZEK
MR. EDWARD W. CHODL
MR. GEORGE PROSCH

Regular monthly meetings constitute only a portion of the time spent by these seven men in their administrative roles. The members of the Board of Education who meet in Mr. Moore's office are elected by the voters of the community to serve the school district. Serving without pay and working in co-operation with the superintendent and school officials, the Board of Education determines the policies of Morton, uses the funds entrusted to it for providing the students with the best possible education, and secures teachers and teaching materials. In addition to maintaining a budget and seeing that the school is operating smoothly, the Board selects a superintendent to see that their plans are carried out. They do a commendable job.

Superintendent

MR. ALLEN R. MOORE

Mr. Allen R. Moore, as superintendent and executive member of the Board of Education, is responsible for the complete operation of the school. He sees that the laws of Illinois and of the District are carried out at Morton. Working together with the community, Board of Education, administration, and faculty, he brings about a unity in the operation of the school. In addition to keeping the community informed of Morton's progress and listening to views and ideas suggested by the people, Mr. Moore works individually with the faculty members and the students, seeking a more friendly and personal relationship.

Principal

Dr. Walter Cooper, who came to Morton almost four years ago, is certainly a familiar figure around school. In his role as principal, Dr. Cooper manages to take part in the administration of the school, promotes good relationships among the various departments, and engages in many extra-curricular activities. He is well liked by the student body, and his friendly smile may be spotted among the crowd at basketball games, all-school dances, or faculty functions.

DR. WALTER L. COOPER

DR. ROY C. TURNBAUGH

Associate Principal

Dr. Roy Turnbaugh, the future principal of Morton's branch school, is presently serving as assistant to Dr. Cooper. Getting acquainted with the students and faculty members will be of benefit to him in his future position. Dr. Turnbaugh is becoming a familiar person to both students and faculty as he serves willingly and capably in Morton's activities.

Administrative Aids

MR. E. W. GREEN

Director of Public Relations

Mr. E. W. Green, known by the student body as "Pop", has an important position to fill as Director of Public Relations. He represents Morton in the Suburban League, has charge of Morton's weekly radio broadcast, supervises club activities, and handles the publicity for the school. "Pop" Green is the man to see to reserve a special date on the school calendar for a social event, sale, or assembly. For years Morton students have had a deep respect and admiration for "Pop" Green, the man who works with the students.

Deans

MR. D. W. BURFORD, MR. E. A. WRIGHT

In addition to issuing admittance slips, the Boys' Deans have other more important jobs to perform. Conferences with students, parents, and teachers are a part of their responsibility as deans.

MISS O. H. BUSH, MISS E. M. PRUTSMAN

The main purpose of the Girls' Deans is to see that every girl gets the most out of her high school days. Serving as guides to a more profitable high school life, the Girls' Deans also participate in extra-curricular activities.

Colorful murals lend a pleasant atmosphere to the Teachers' Cafeteria where faculty members enjoy a delicious meal.

They Help Keep Morton

Without the able assistance of the Maintenance Department, Morton couldn't function as smoothly as it does. The men of this department furnish the heat, lights, and other necessities for the general good and improvement of the school.

Under the supervision of Mr. Kelly, the cafeteria staff provides the food which keeps the students of Morton functioning. It is a tremendous job to prepare and serve the amount of food consumed by the students, but they accomplish this task with speed and efficiency.

Running Smoothly

Imagine all the records that must be kept by a school the size of Morton. This is done efficiently in the main office. Typewriters, a switchboard, and office machines are the sound effects accompanying another busy day for the office staff.

Working together to keep Morton's students healthy are the doctor, dentist, and two nurses of the medical department. Whether a student complains of a minor injury or a loose tooth, this department will soon remedy the situation.

Through the Microscope

Mrs. Zukor's biology class is a beehive of activity as students transfer algae from microscope to workbook. The informal atmosphere which prevails in the laboratory makes the work of the students enrolled in this popular course more enjoyable.

Homemakers of Tomorrow

Those lucky enough to be part of a Home Ec. or Foods class may sample the tasty dishes of their own making. The rest of the students can only guess from the tempting odors floating down from the fourth floor what delicious creations are on the menu for the day.

Pottery made in our up-to-date art department may be as simple or complex as the student desires. These students, under the able direction of Miss Tarachas, make use of the pottery wheel and kiln.

Our physical education department provides a variety of sports and activities for girls as well as boys. Miss Flanders and her class of senior girls watch the demonstration of an exercise.

Creative Writers at Work

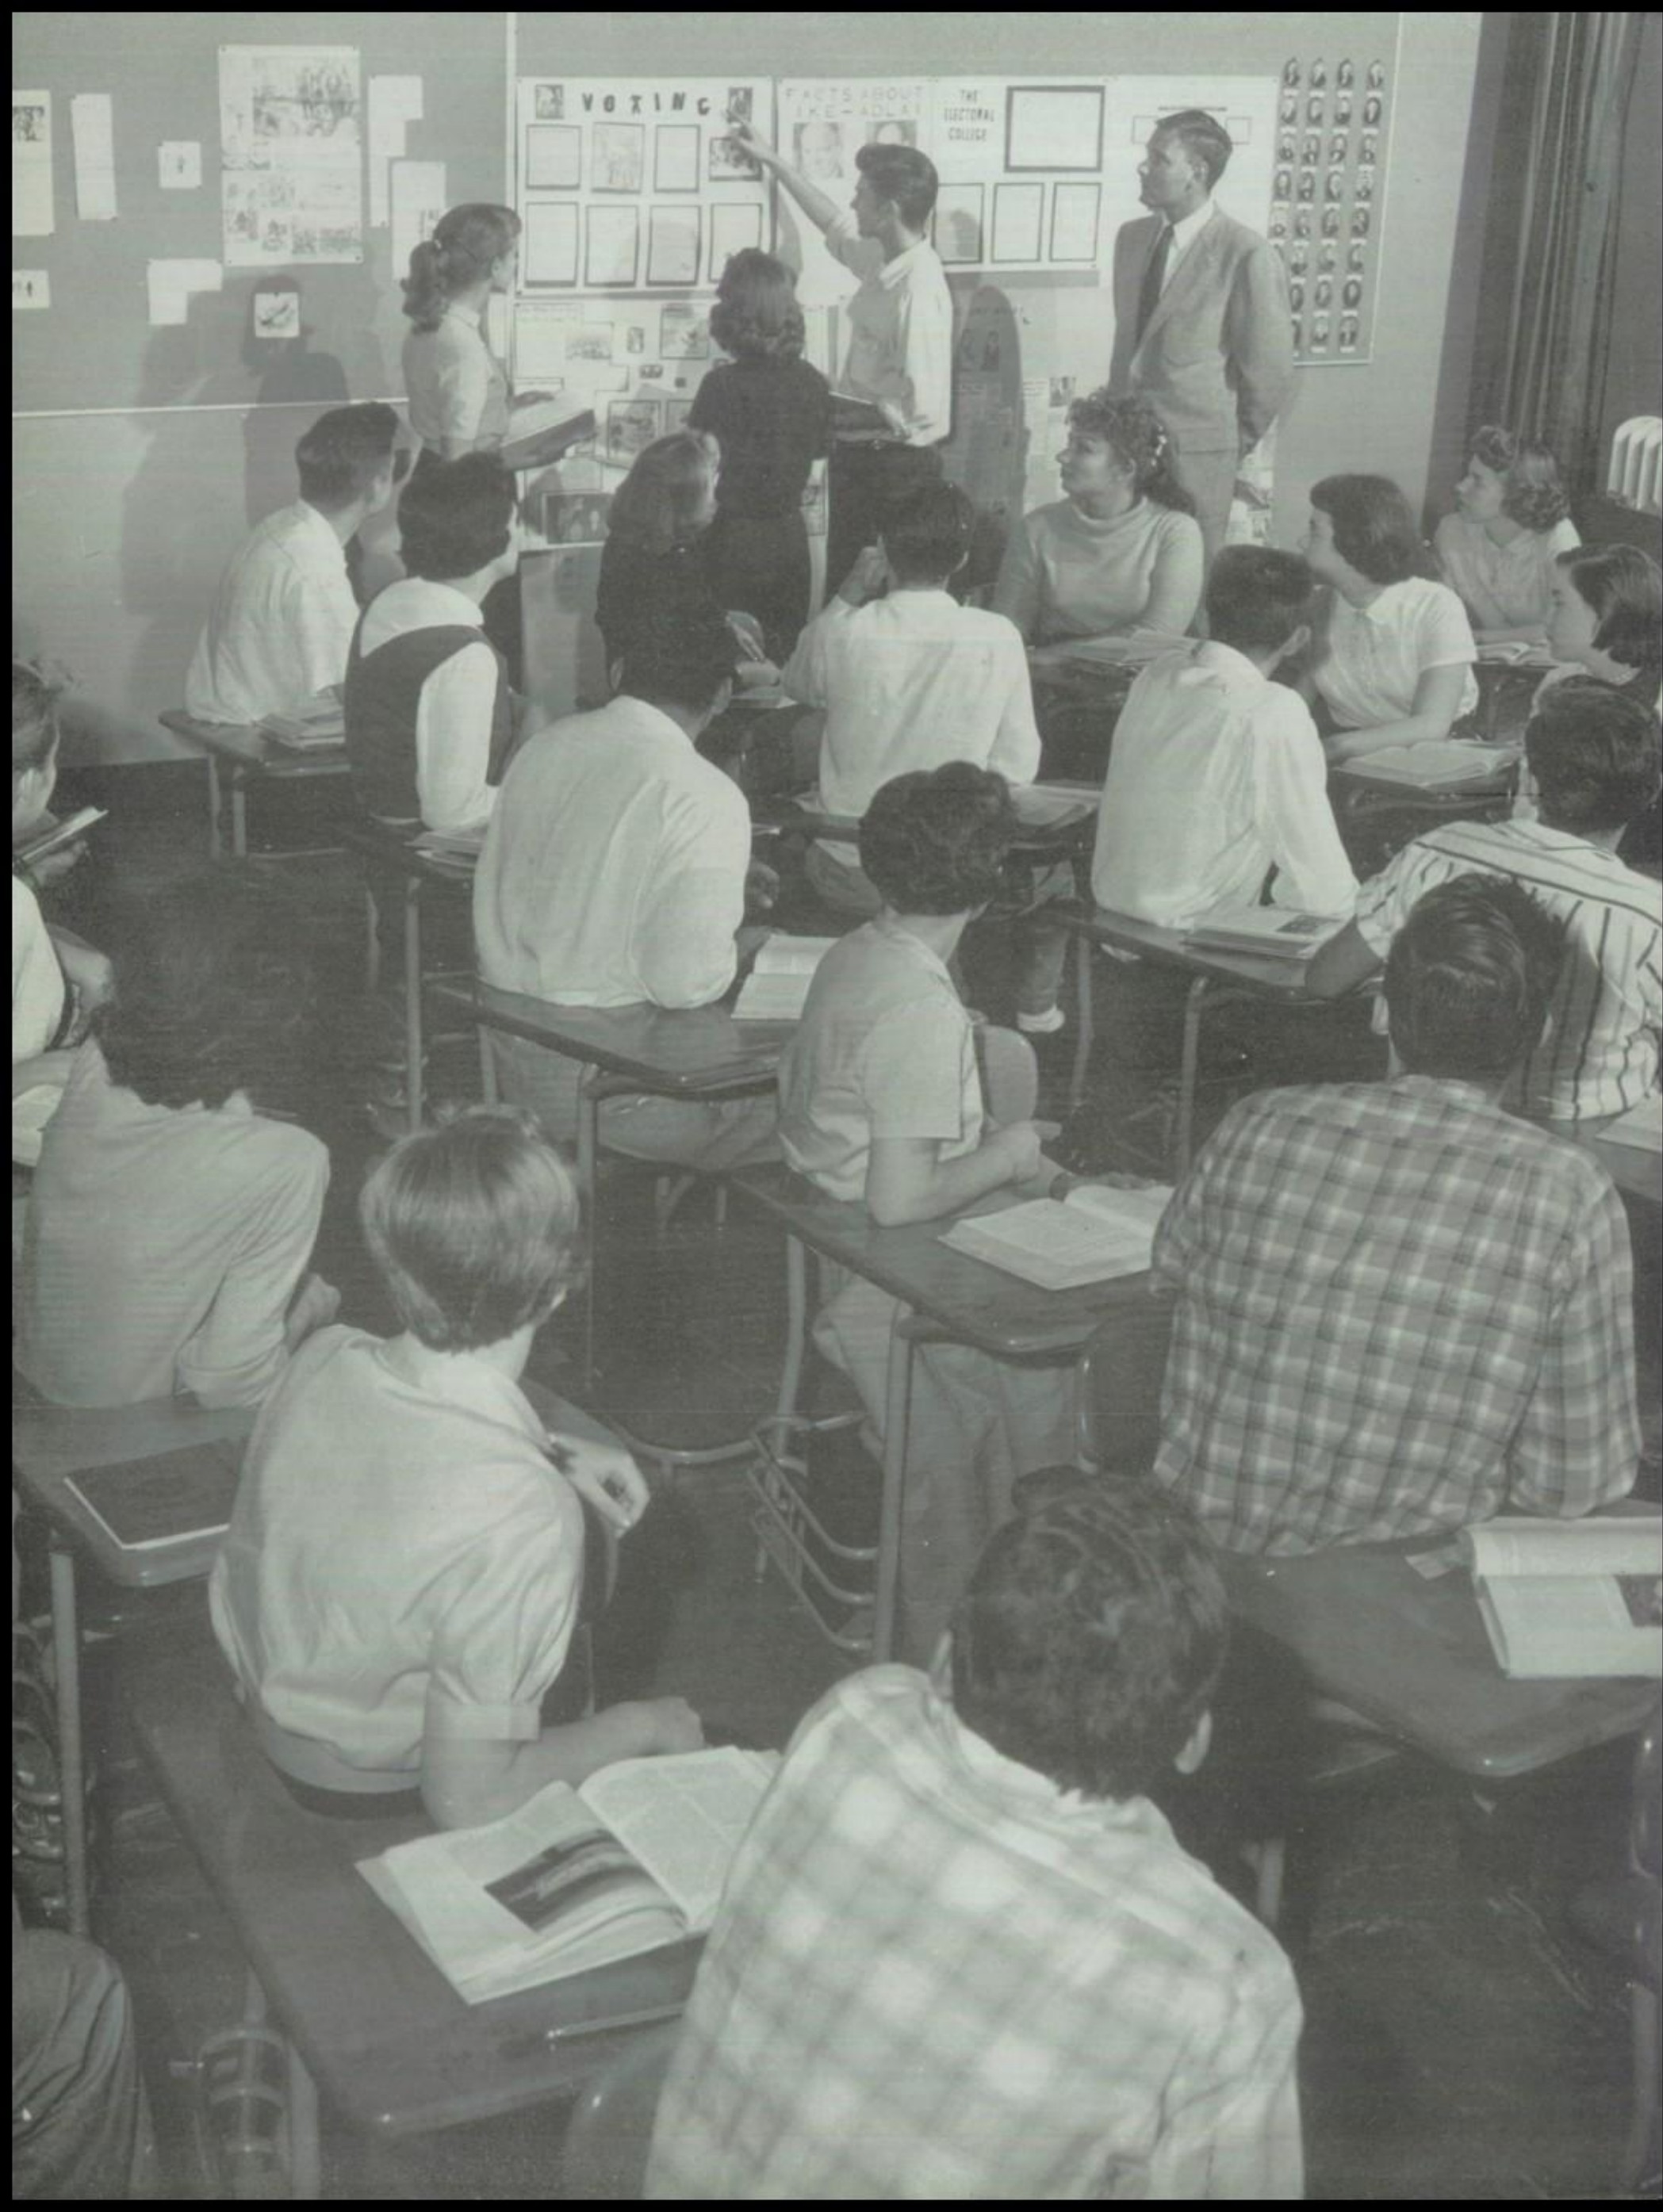

Eager students challenge the use of words and accents as Miss Diez nods her approval. The English department has every reason to be proud of this elective writing course open to seniors with creative minds.

Designs for the Engineer

Drafting, like all courses in the industrial arts department, is designed to give students knowledge and skill of a practical nature. A drawing must always come before the product is completed.

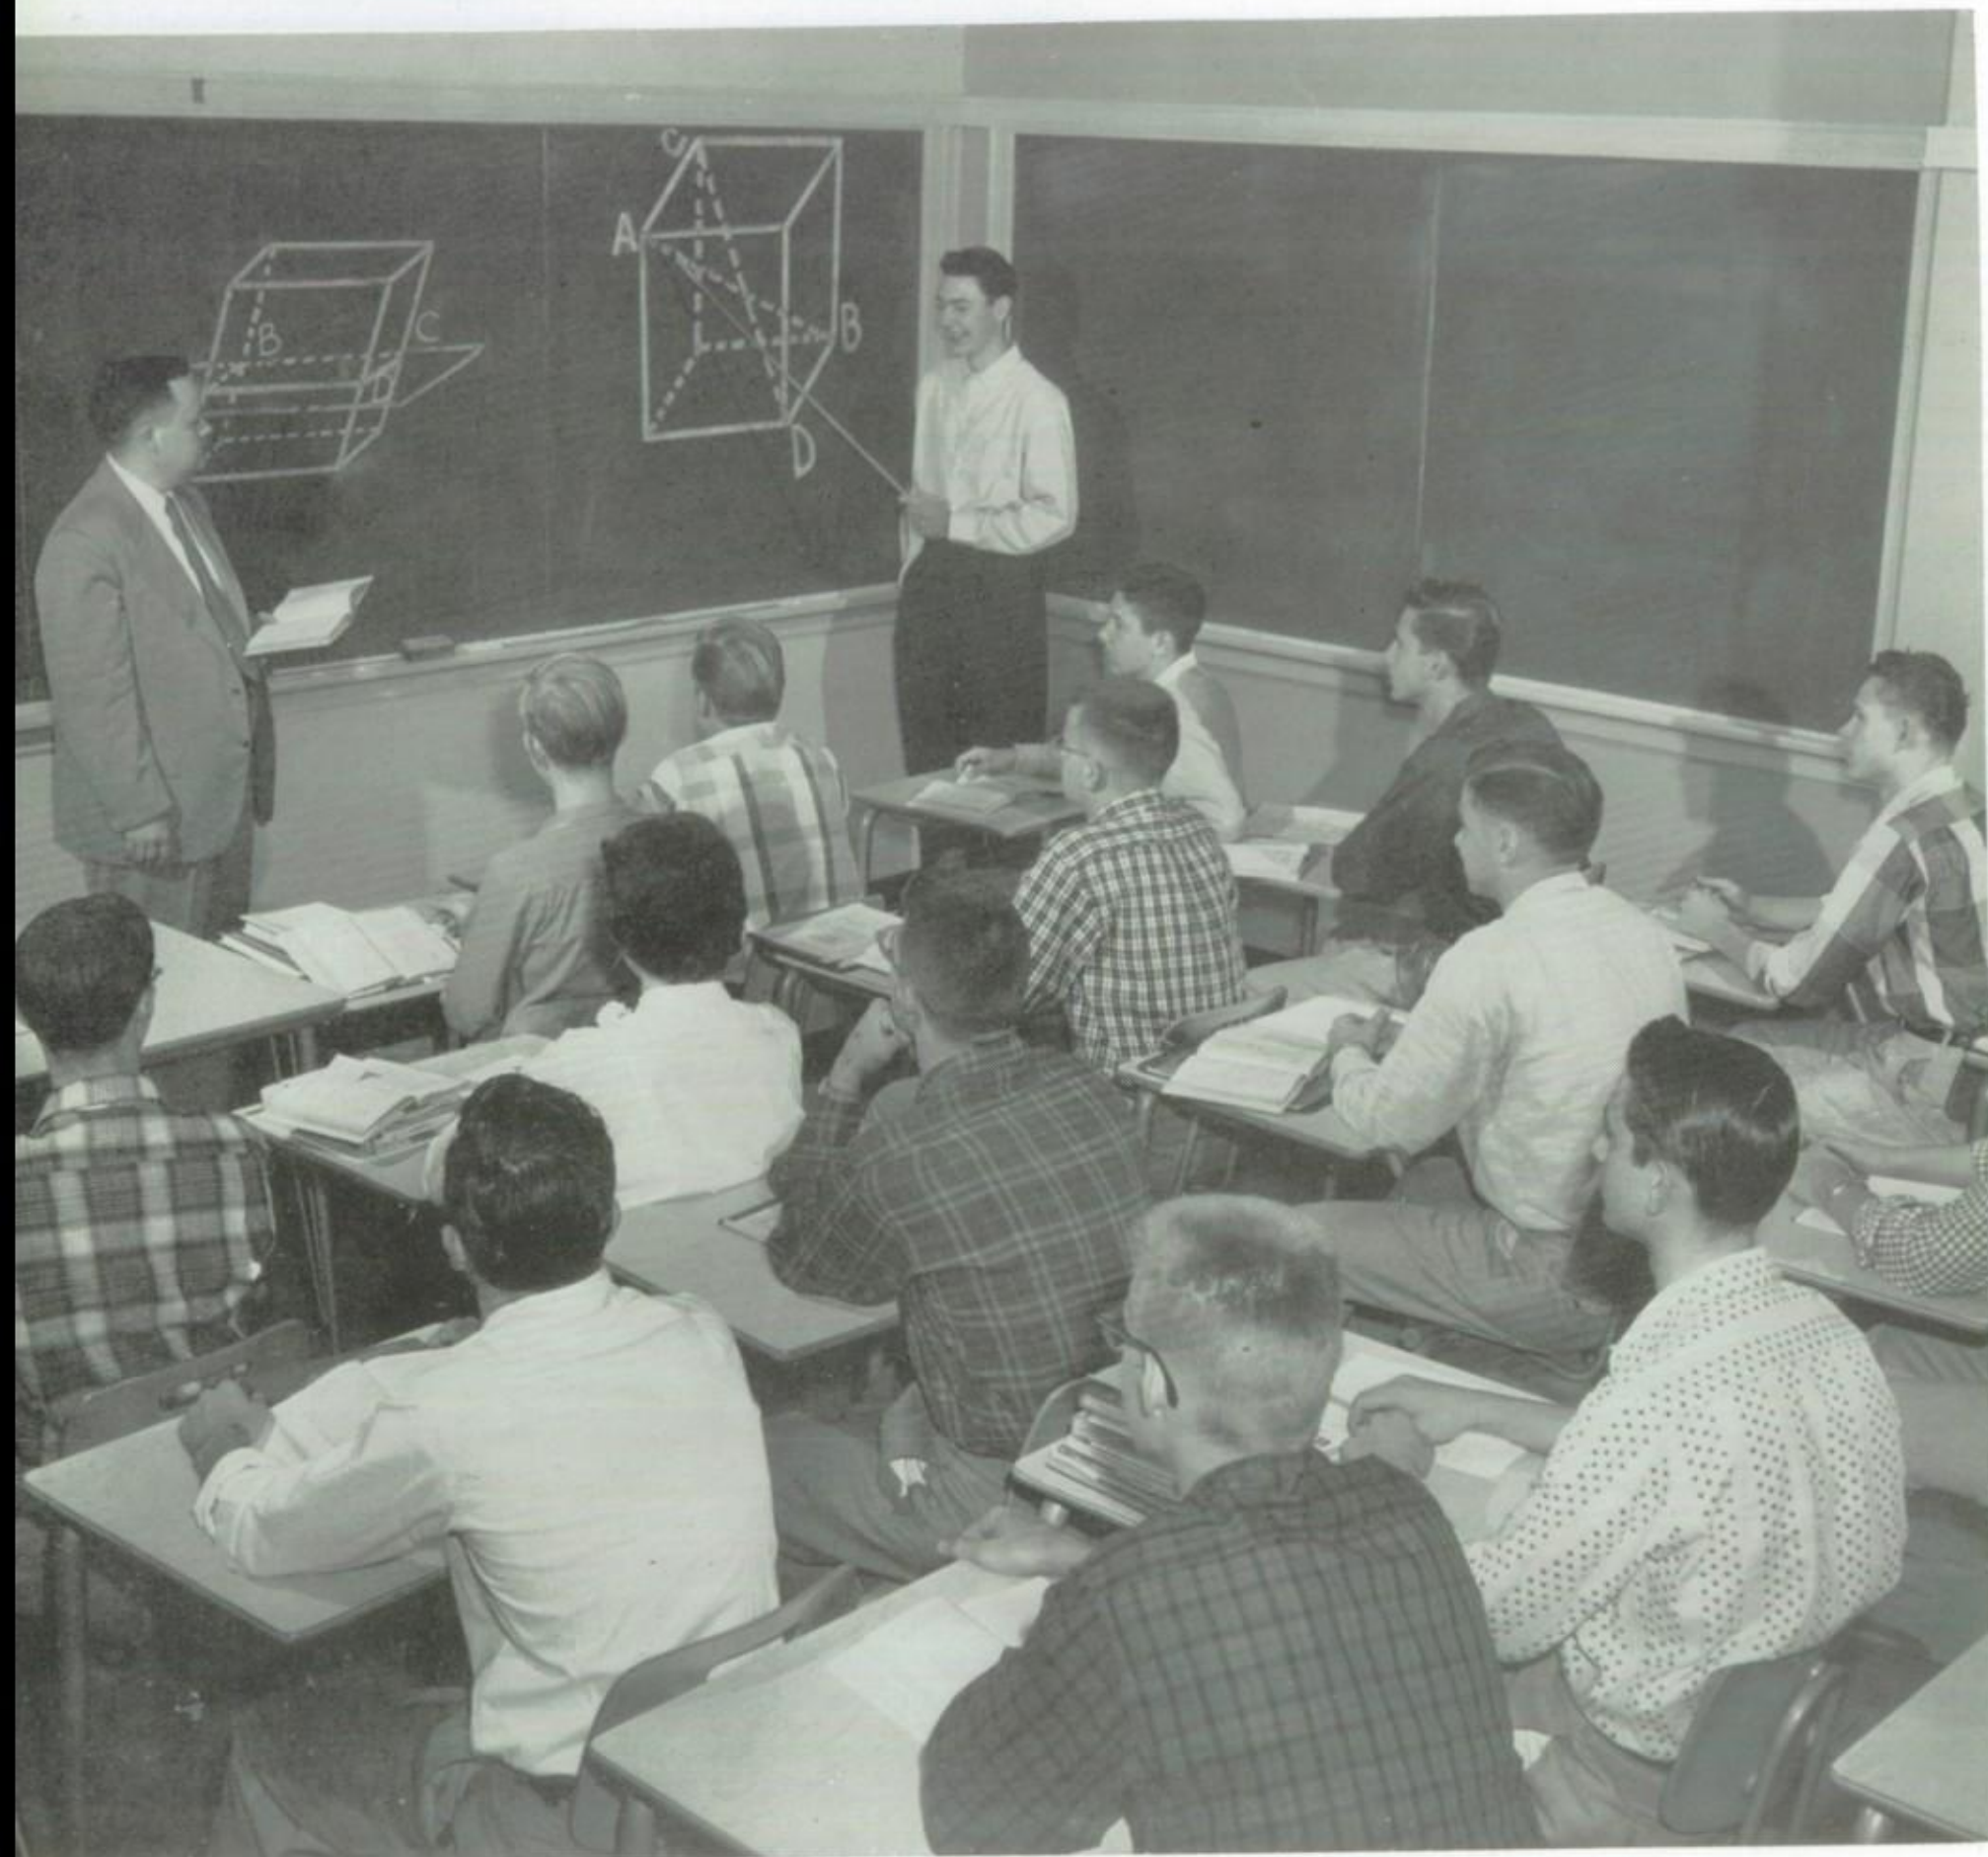

Beautiful costumes add zest to a familiar classroom. Czech is but one of the many language courses offered to the students. In addition to the language itself, these classes also learn about the people and customs of the countries in which the language is spoken.

What are the necessary requirements for a voter in the state of Illinois? The answers to this and many other questions are discussed in American Government classes. A working knowledge of our government is essential to democracy, and Morton is doing its part to instill this knowledge in its students.

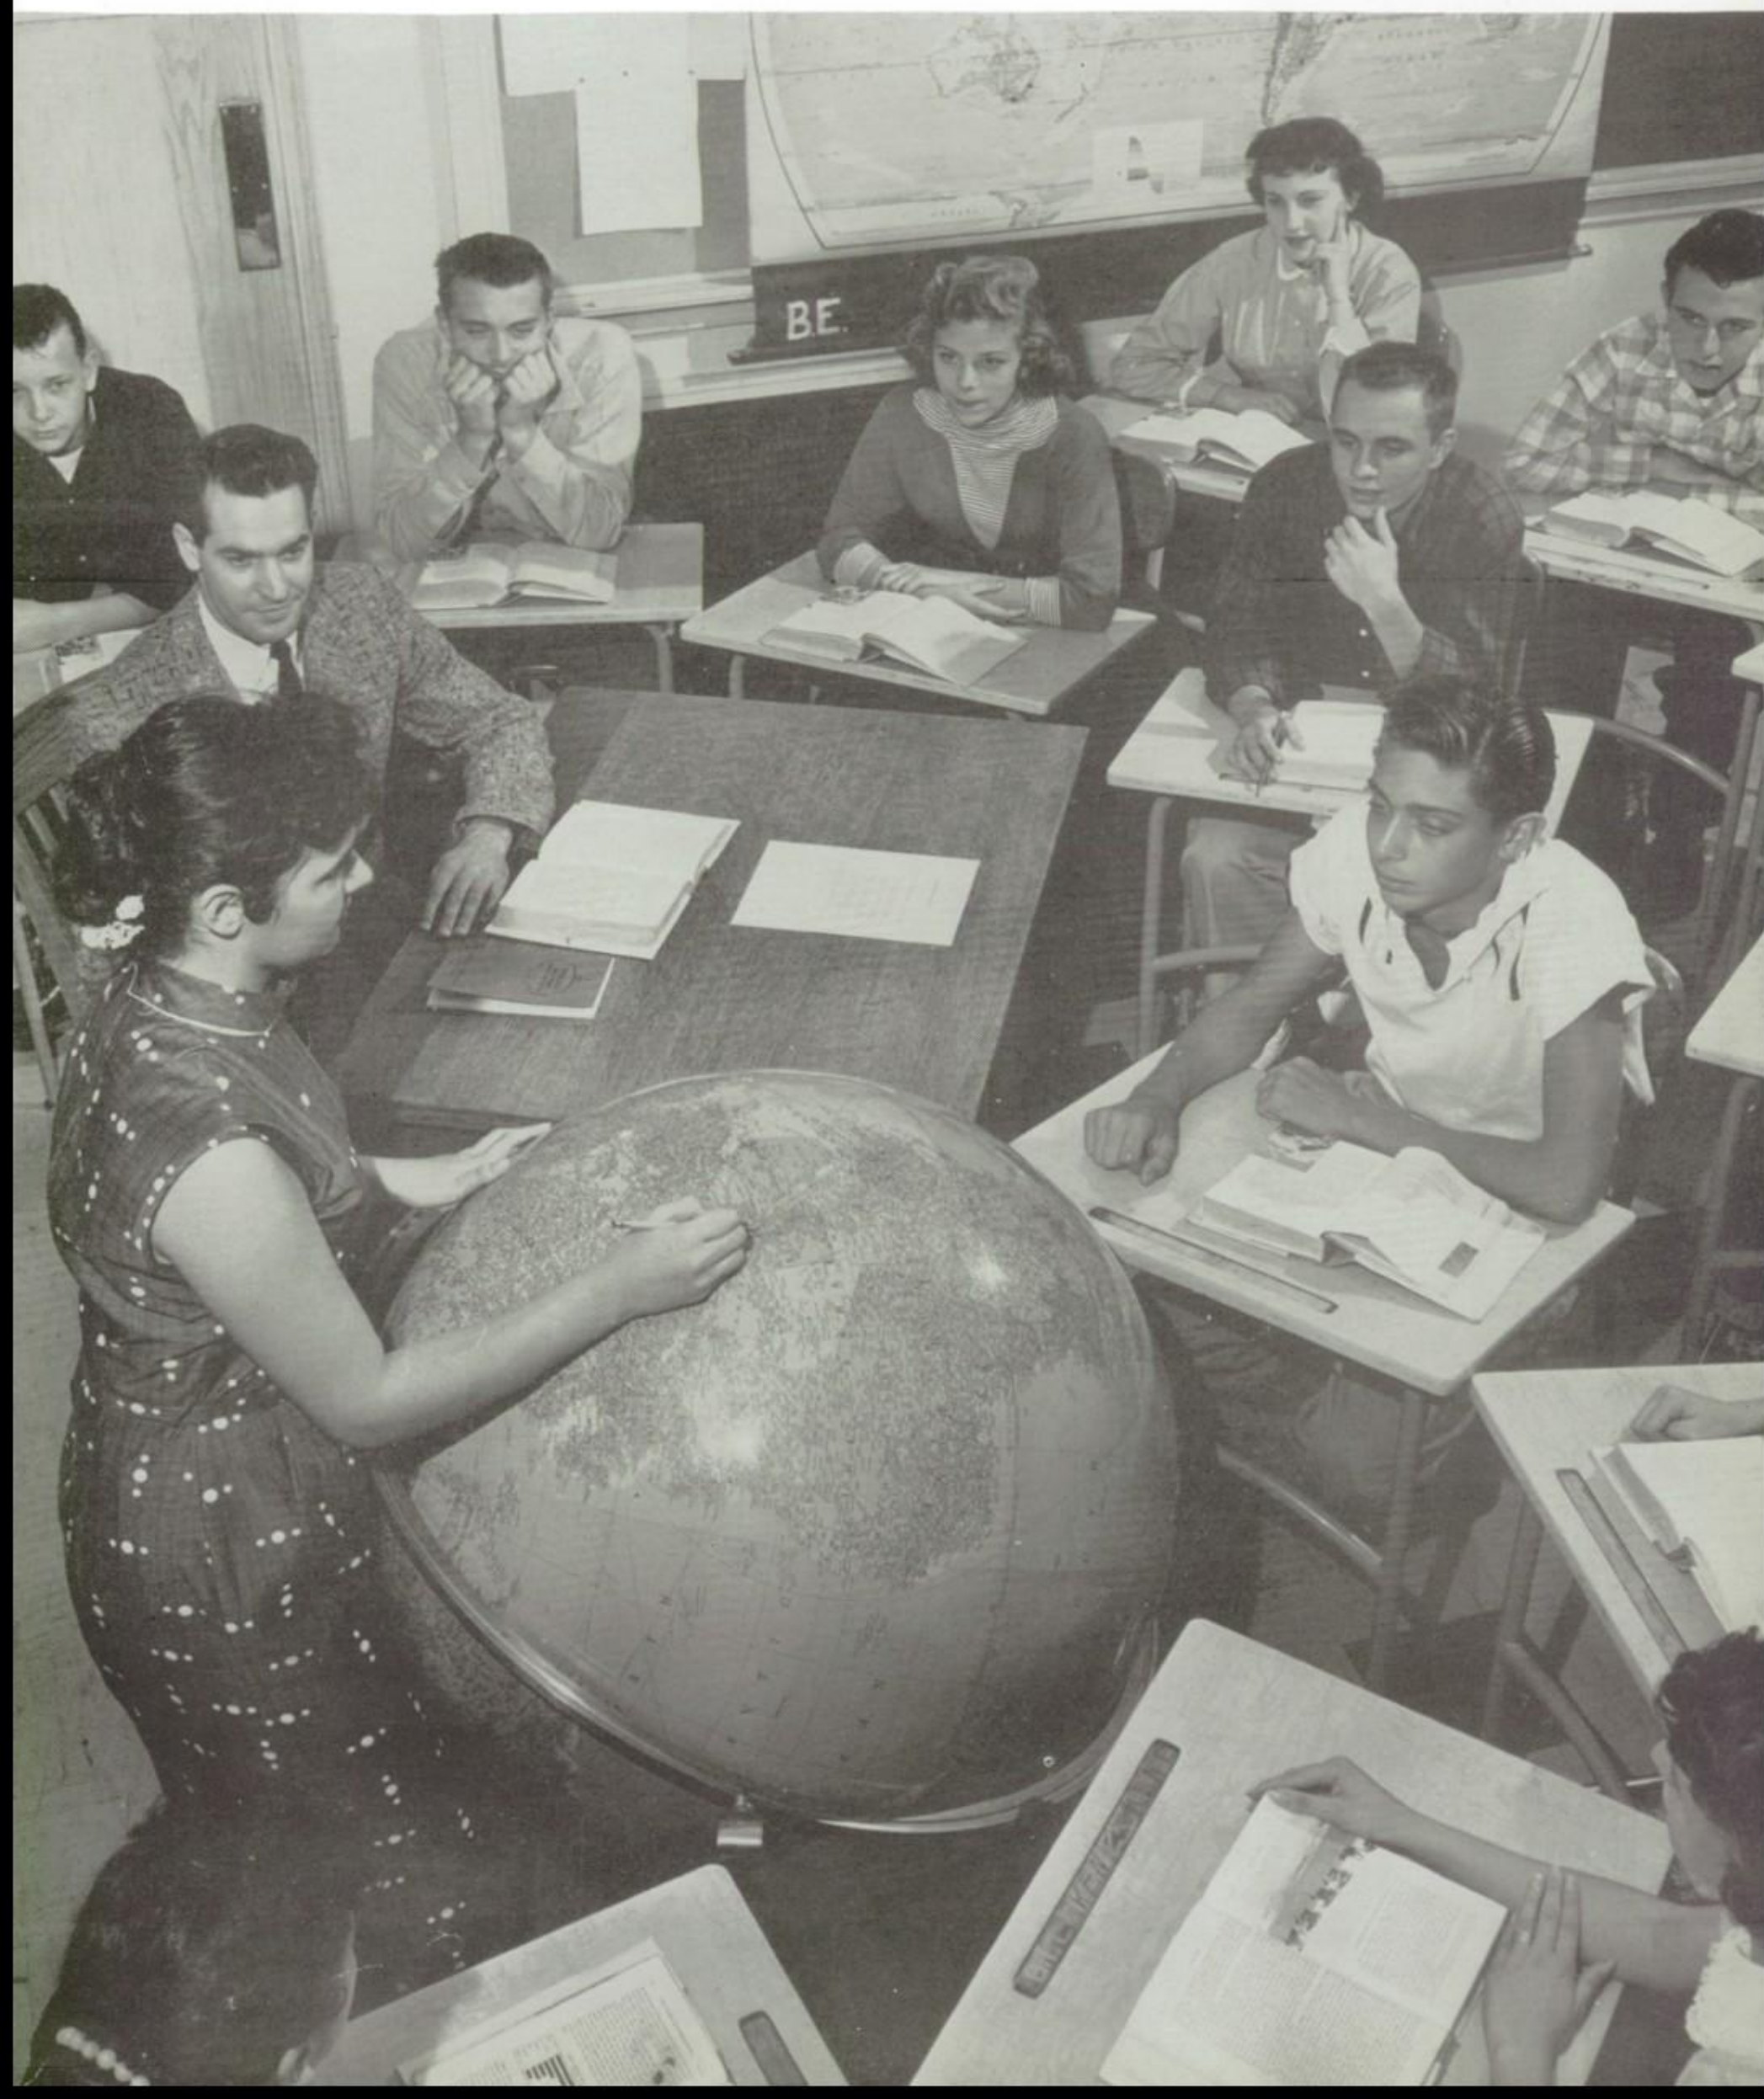

Solving New Problems

Clear-cut diagrams make all the difference in the world in Mr. Elam's solid geometry class. There is little chance for a student to be confused as to the nature of the problem he must solve.

→
The huge globe of the world which is the center of attention in Mr. Pace's geography class is a new addition to the business education department this year. Many courses are offered to prepare students for all phases of business.

Global Interest

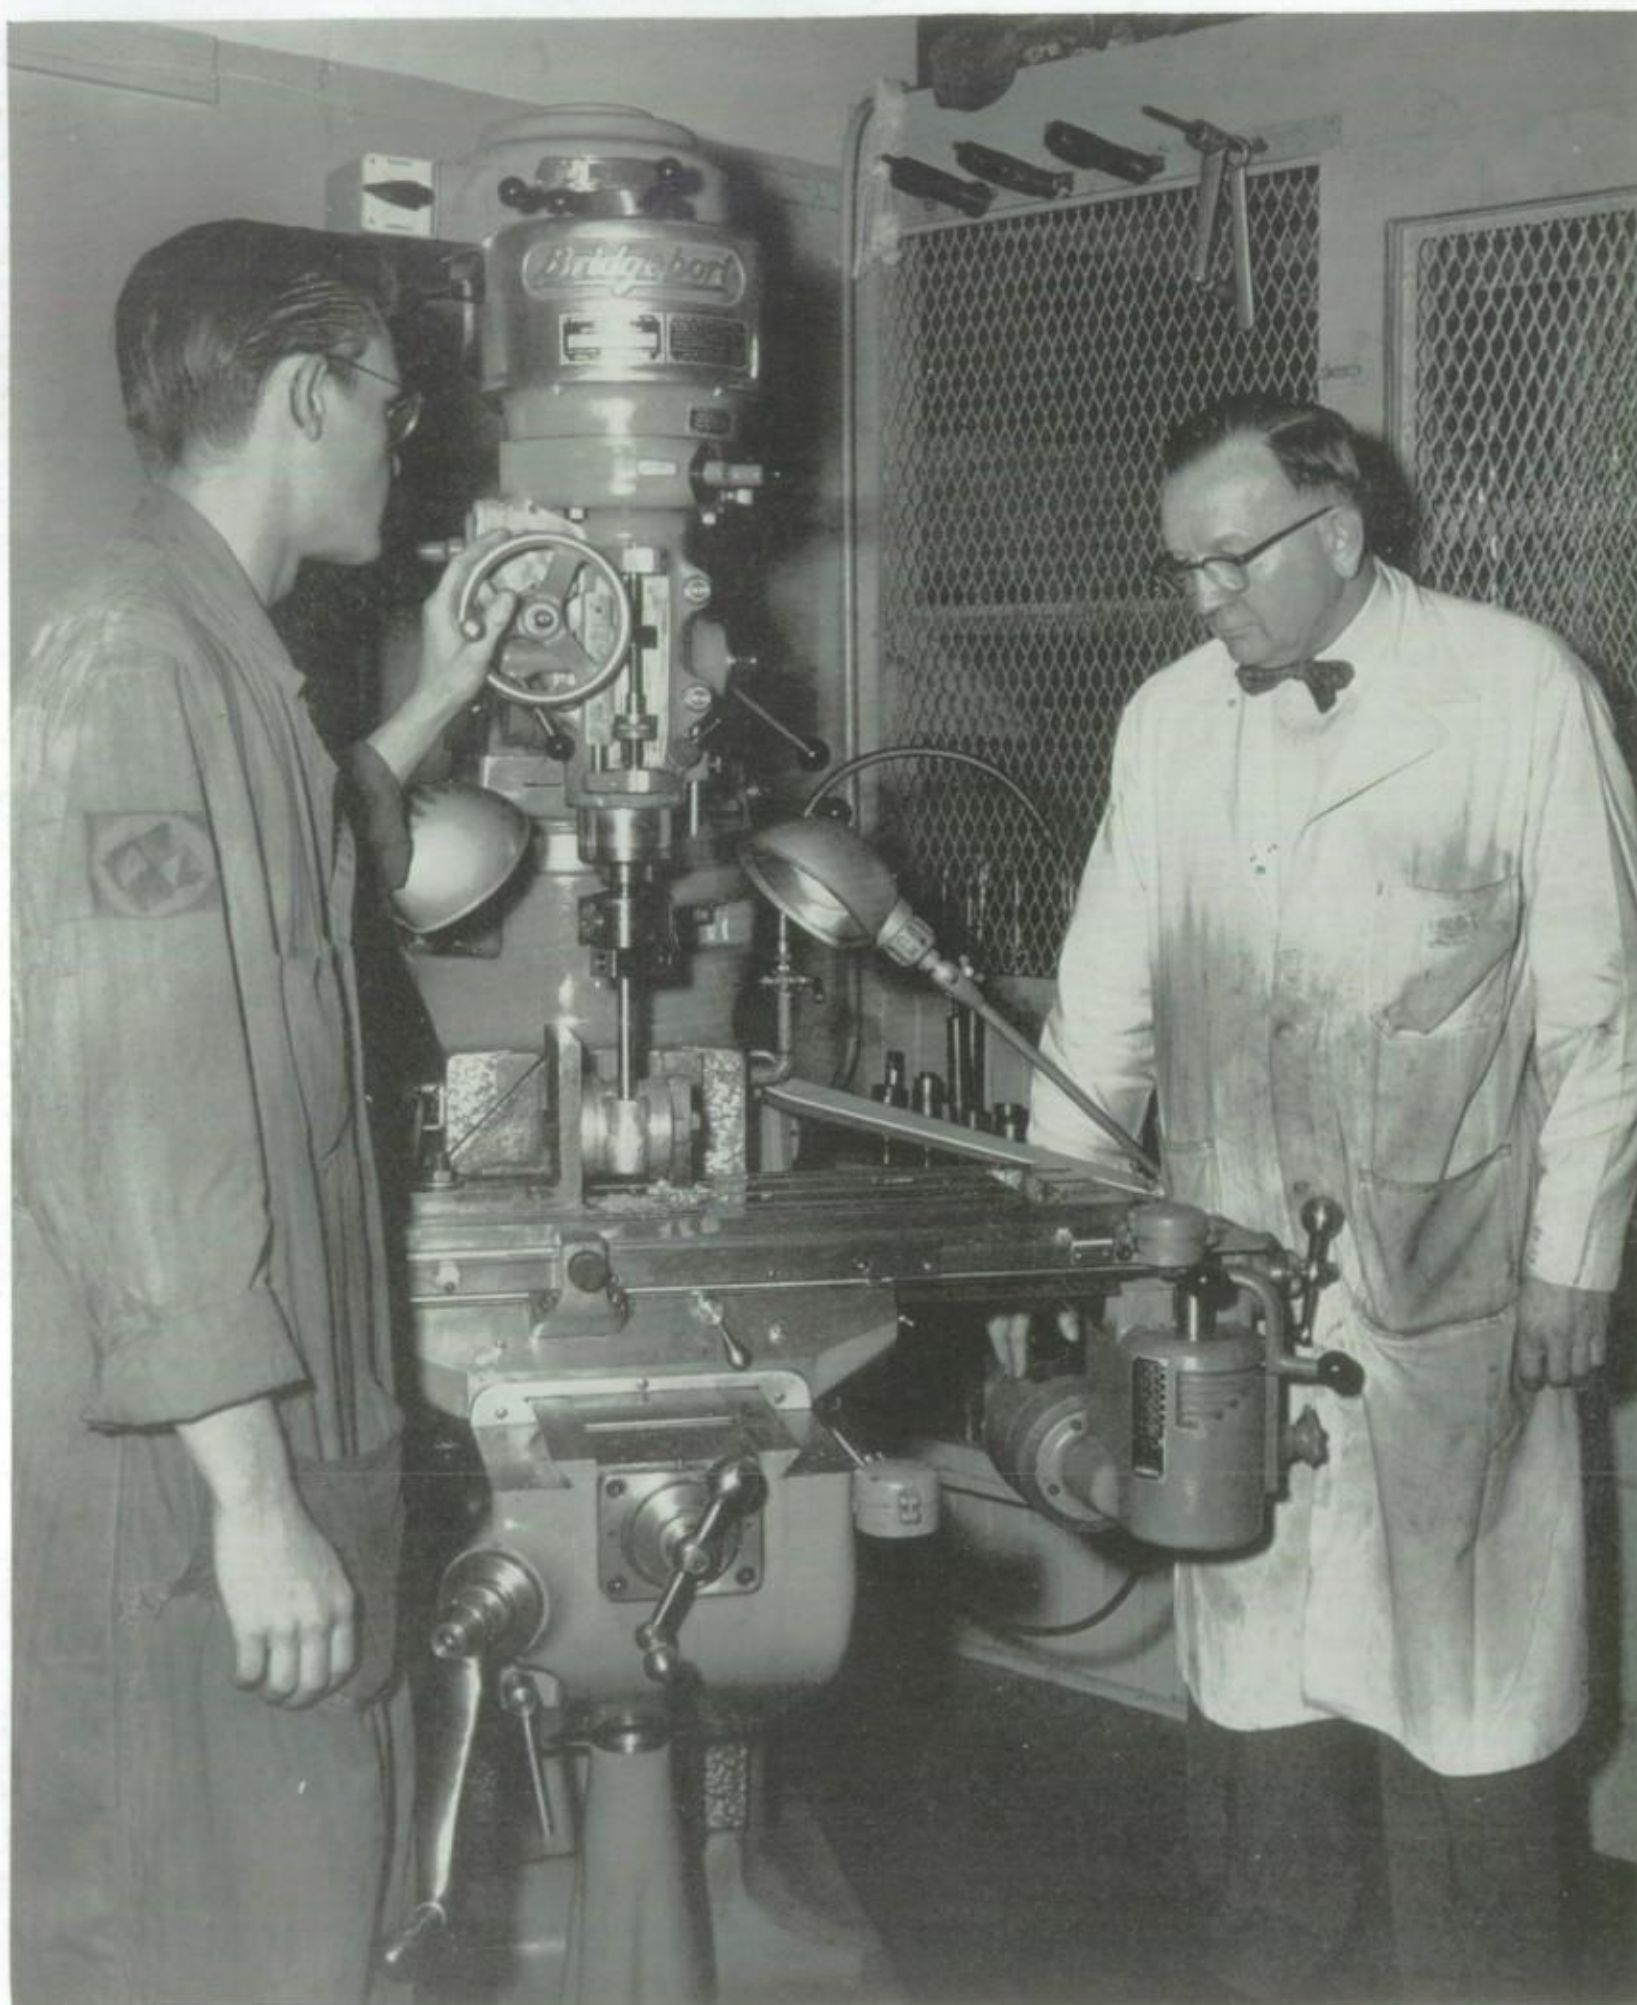

Typing stencils, learning to operate office machines of various types, and working on individual projects give girls interested in office work excellent training and practical experience. Girls completing Morton's courses in shorthand, typing, and office practice are well-prepared to face the competition of the business world.

There is a real joy and sense of accomplishment that a girl experiences upon the completion of a dress, blouse, or skirt which she has made. The home economics department provides girls with the instruction and opportunity to attain skill in sewing.

Future Craftsmen

Excellent facilities are available in our industrial arts department to train boys to skillfully operate machines of all types. Vocational training gives them valuable experience that can be applied at home or on the job.

→
Emphasis is placed on physical training in addition to regular classroom studies. Calisthenics on the stage help to improve co-ordination and keep the boys in condition for strenuous sports.

Front Face – One, Two

Miss Dryden's senior drama class strives for perfection in readings through the use of a tape recorder. Included in their course are plays by old masters such as Shakespeare and more modern works by today's playwrights.

Explaining the method of solving the problem is just as important as coming up with the right answer in Miss Buddeke's first year algebra class. Students interested in mathematics may take courses ranging from algebra to trig and college math.

Science in Action

Demonstrations in which the students take part leave a lasting impression. Mrs. Williams looks on as her general science class attempts an experiment in air pressure. Biology, physics, chemistry, and other natural science courses are offered to those who wish to continue in the field of science.

→
In Mrs. Hohe's English I class, underclassmen take an active part in an informal discussion group which provides an opportunity for the students to express themselves and listen to the opinions of others in the group.

Our M.S.G.A. In Action

Junior and senior members of the M.S.G.A. Board constantly seek school improvement.

Seated—P. Kasik, P. Cherry, B. Nemlaha, E. Gadzinski, J. Wallon, S. Lebeda

Standing—B. Sladek, B. Novak, J. Slovacek, J. Bienias, T. Heyn, A. Peterik, J. Frank, M. Gales, C. Strom, L. Karlicek

M.S.G.A. . . . The Morton Student Government Association, briefly called the M.S.G.A., is closely patterned after our national government. Three branches, executive, legislative, and judicial, comprise the body of the M.S.G.A.; and it is their responsibility to govern the student body.

The executive branch consisting of eight seniors, eight juniors, four sophomores, four freshmen, and the four class presidents is called the Board of Directors. An election held at the beginning of the school year decides who will hold these sought after offices. The task immediately facing the newly organized Board is the electing of its officers and advisers. Those chosen were: Phil Kasik, chairman; Sandy Lebeda, vice-chairman; Barbara Sladek, secretary; William Bedrava, assistant secretary; Patricia Cherry, treasurer. The advisers selected for this year are Miss E. M. Prutsman, Mr. G. M. Larimer, and Mr. R. L. Davidson.

Upper—Underclassmen are well represented by these Frosh-Soph Board members.

Lower—Revising the constitution is a major task of the Executive Committee.

Upper—Seated—J. James, G. Novak, D. Demos, E. Albrecht, S. DuBeau, B. Bedrava. Standing—S. Anderson, J. Cernota, K. Stephan

Lower—Seated—P. Kasik, P. Cherry, Mr. R. L. Davidson, Miss E. M. Prutsman. Standing—S. Lebeda, B. Sladek, B. Bedrava

Top—A question arises at a M.S.G.A. Assembly meeting.

Center—The Court of Justice represents the Judicial branch of the M.S.G.A.

Bottom—Public Relations Committee provides for mutual understanding between faculty and students.

Center—Seated—Mr. G. J. Helsing, D. Williams, C. Bednar, K. Baumruck. Standing—R. Hahn, R. Govenat, R. Drammis

Bottom—First row—S. MacDonald, D. Demos, J. Bryan, S. Du-Beau, A. Svoboda. Seated—Mr. E. W. Green, B. Ruzicka, B. Slechter, G. Ostedt, S. Trumpis, M. Brozek, J. Pivec, J. Bienias. Standing—J. Cernota, C. Strom, J. Frank, S. Hruby, P. Kasik, A. Peterik, J. Carlson, C. Jezek, B. Vitek, H. Schmithuber, S. Turek, M. Prentiss, C. Cousineau

M.S.G.A. . . . The General Assembly or legislative branch consists of students elected from their afternoon homerooms and second hour classes. They are the student's contact with M.S.G.A. By having their representatives voice opinions at the Assembly meeting, everyone plays a direct role in their school government. The representatives report back to their respective classes informing the class about current transactions of the M.S.G.A. The General Assembly certainly exhibits the true feeling of school democracy.

Jurisdiction over violation of school codes lies in the hands of the Court of Justice. The Court's officials, who represent the judicial branch of the government, are chosen from the student body by the Board of Directors and consists of three justices, a secretary, and bailiffs. This years members are: Roger Hahn, Charles Bednar, and Diane Williams, justices; Roslyn Drammis, secretary; Robert Govenat, Kenneth Baumruck, and Andrea Frankenberg, bailiffs. Advisors for the group are Mr. J. H. Seaholm, Mr. G. J. Helsing, and Mr. L. S. Zelip.

Living Up To Our Motto

M.S.G.A. . . . The majority of the work of the M.S.G.A. is carried on through the efforts of the many committees. The committees work independent of each other with only one goal in sight, school betterment. Membership to these varied committees is open to anyone interested in school government.

Last year's Constitution Committee was dissolved, and its work was undertaken by the Executive Committee under the able direction of Miss E. M. Prutsman. Revising the Constitution, creating by-laws, and forming standing rules are some of the functions of this important committee. Composition and distribution of the M.S.G.A. weekly bulletins is the task constantly facing the Bulletin Committee. The Eligibility Committee checks upon and eliminates from competition all athletes who aren't up to standards in their school work. By promoting good feeling and understanding, the Public Relations Committee is a vital link between the faculty and the students.

Top—There's plenty of work for all when School and "Caf" Improvement, Code of Ethics, and Calendar Committees meet.

Center—Working to provide more and better extra-curricular activities is the task facing the Assembly and Clubs Committees.

Bottom—Bulletin and Frosh Orientation Committees extend a helping hand to the student body.

Top—The people in this picture are: J. Roasch, J. Bienias, M. Tenclinger, S. Mock, B. Korbel, Mr. E. W. Green, E. Gadzinski, A. Peterik, P. Cerwin, J. Frank, T. Oglin, A. Benakis, A. Shurpiet, M. Hicks, P. Dypold, V. Polz, B. Novak, A. Svoboda, J. Metz, D. Demos, P. Henrici, A. Faynor, D. Olson, J. Thomas, C. Strom, K. Chaloupek, R. Sidlo, P. Kasik, G. Strnad, C. Klien, Mr. D. F. Marsik, Mr. R. C. Turnbaugh

Center—The people in this picture are: J. Orentas, Mr. R. J. Dvorak, C. Strom, C. Burdick, D. Engel, G. Malek, D. Veselsky, J. Luba, J. Johnson, A. Peterik, P. Cherry, J. Johnson, L. Waldvogel, J. Trefil, J. Deagan, E. Gadzinski, C. Chirko, J. Bienias, L. Picco, J. Libera, J. Nuti, J. Matazel, A. Savickas, T. Heyn, C. Lanowski, M. Pender

Bottom—Seated—T. Heyn, Mr. P. R. Kasik, M. Prentis, S. Turek, L. Koci, B. Slechter, H. Smithuber, J. Cernota, A. Peterik. Standing—C. Cousineau, V. Kraml, A. Brown, S. MacDonald, A. Corrino, P. Clay, J. Polacek, C. Rajnys, M. Michal

What I Will, I Can

M.S.G.A. . . . The committees of this year and their chairmen were: Activity, Carol Strom; Assembly, Erwin Gadzinski; Bulletin, Alice Peterik; Calendar, Dena Demos; Club, Tim Heyn; Code of Ethics, Robert Novak; Election, Marilyn Goles; Eligibility, Stewart Anderson; Freshmen Orientation, Jane Cernota; "M" Book, Julie Frank; Medal Awards, Bea Nemlaha; Public Relations, Al Svoboda; School and "Caf" Improvement, Janice Bienas; Social, Jean Wallon; Welfare, Elizabeth Karlicek. The committees mentioned above are permanent. Throughout the year temporary committees are chosen as the need for them arises.

Top—Election and Medal Awards Committees give recognition to the deserving.

Center—Many problems worthy of concern are taken up by the Welfare and Eligibility Committees.

Bottom—A great assistance to incoming freshmen is the work of "M" Book Committee.

Planning Social Activities

M.S.G.A. . . . Everyone associated with the M.S.G.A., whether he is a Board member, a committee worker, a Court member, or an Assembly representative, is building for the future by learning to accept more than just the average amount of responsibility. All the different phases connected with government represents a tremendous amount of toil, but the students involved in this work always manage to keep their heads above water and have a little fun doing it. The M.S.G.A. by demonstrating true democratic ideals is an integral part in a school of our size.

Honor Is Theirs

SENIOR HONOR SOCIETY . . . Election to the National Senior Honor Society is one of the highest honors a Morton student can achieve. Membership is based on more than just good academic standing. Each candidate must show outstanding qualities of leadership and service. When May rolls around, elections are held in which both the faculty and the student have their say; and only fifteen per cent of the senior class and five per cent of the junior class are finally admitted.

The members perform various services throughout the year; one project being the biannual supervision of the honors banquet. Speakers are invited to the meetings to discuss various topics; and the members of the club and its advisor, Mr. P. L. Kiser, always enjoy the traditional splash party.

Officers elected for the first semester were: Robert Freiberg, president; Dave Berner, vice president; Joyce Frost, secretary; Rich Kassner, treasurer. Second semester officers: Rich Kassner, president; Joyce Tetrev, vice president; Nonine Nelson, secretary; and Wayne Janda, treasurer.

Approach To Speech

Junior and Senior Masque and Gavel members strive to become perfect speakers.

The people in this picture are: D. Adam, B. Misek, D. Dobry, J. Sladek, R. Bortz, R. Martin, T. Cerny, J. Hajek, L. Novak, S. Culkar, M. Black, J. Orszula, M. Bozarth, S. Lebeda, J. Tetrev, E. Hradec, J. Lossau, J. Bouzek, J. Hruby, C. Kozeny, Mr. Kampschroer

JUNIOR MASQUE AND GAVEL . . . Underclassmen interested in the advancement of speech may join the Junior Masque and Gavel. After serving one year apprenticeship in this auxiliary organization learning speech and drama, the student may declare candidacy for the senior group.

Officers for the past year were: Bertrand Misek, president; Thomas Cerny, vice president; Ronald Bortz, secretary; Joyce Gregory, treasurer; Robert Martin, historian; Dorothy Adam, correspondence secretary. The adviser for the group is Mr. Kampschroer.

SENIOR MASQUE AND GAVEL . . . The objectives of the Senior Masque and Gavel are threefold: first, to recognize and promote significant student achievement in any area of speech in high school; second, to assist the student in raising his standards of speech by providing services of analysis and advice; and third, to sponsor a better relationship between the high school and community.

Interest and participation in the field of speech is a prerequisite for entrance in this national speech society. Scholarship and dependability are other qualities considered before admission is granted.

Official positions were held by Joyce Orzula, president; Janet Hajek, secretary; Lynn Novak, treasurer; Sylvia Culvak, historian. Mr. Kampschroer is the adviser.

NATIONAL THESPIANS . . . The purpose of the Thespians, a national drama group, is to further the interests of its members in the theatrical field. Students showing a sincere interest in dramatics may be chosen as a member. Mr. Teeter is the adviser.

In order to be chosen a member of the National Thespians, you must show a sincere interest in theatrical work.

FRENCH CLUB... The fragrant smell of carnations reminds us of the annual French Club flower sale. Selling these colorful and lovely flowers is the main money-making project of the French Club. Its members try to gain an insight into the French language and customs. Club officers are Bernadine Szpila, President; Dagmar Bubenicek, Vice-President; Patricia Valente, Secretary; John Dawson, Treasurer; Judy Kopecky, Historian. Miss A. Nelson is the club sponsor.

SPANISH CLUB . . . Eager to learn about the Spanish-speaking people are the members of the Spanish Club. They enjoy participating in many Spanish customs, such as the colorful breaking of the Pinata filled with many gifts. They also listen to Spanish records and sing right along with them. A Donut sale was their main money-making project of the year. The members all proudly presented Mr. Narbutas, their advisor, with a present as he embarked on his good-will tour. Joy Dougan is President; Karen Hletko, Vice-President; Sue Mares, Secretary; Val Iwanski, Treasurer.

Learning to Understand

LATIN CLUB . . . Members of the Latin Club enjoy spending their leisure hours collecting folders, travelogues, and stories about Rome. Their main project this year is the compilation of a Latin book called "Spectate" meaning Look or Behold. The members have contributed magazine articles, original Latin stories, a summary of Virgil's "Aeneid" and even a self-test summary at the end. When published the Latin members will have produced a very valuable contribution for their club. Leading the group is Edward Formanek, President; John Iannantuoni, Vice-President; Thomas Ortiger, Treasurer; Lorraine Herda, Secretary. Miss H. E. Hendriks is the advisor of the group.

"Sprechen Sie Deutsch?" asks Alan Salkowski as he prepares to give a dramatic interpretation of a German story.

GERMAN CLUB . . . Singing German songs and observing the traditional German customs are a favorite pastime of members of the German Club. They also enjoy viewing German movies and reading German stories. This year they went to hear the Berlin Symphony Orchestra. They also have had a German band as well as a German Orchestra come and play for them at their meetings. Officers of this group interested in absorbing German culture are: Alan Salkowski, President; Tom Turek, Vice-President; Loretta Cihak, Secretary; Connie Struska, Treasurer.

Our Neighbors

ITALIAN CLUB . . . Italian Club worked hard to complete a picture scrapbook of Morton's many activities, representing a typical high school in America. Upon completion it is sent to Italy by the Red Cross. In return Morton receives a scrapbook from an Italian high school. Money is raised for projects by selling Torroni, a rich Italian candy. The club took a trip to see an Italian art collection and "La Strada", an Italian movie. Officers of Italian Club are Camille Salerno, President; Tony Armagno, Vice-President; Antoinette Salerno, Secretary; and Marilyn Napolitan, Treasurer. The adviser is Mr. F. Naccarato.

CZECH CLUB . . . Within this group the vivid literature of Czechoslovakia is read and enjoyed by all, and gay songs are learned in the rhythm of Czech music. At Christmas time the members of Czech Club band closer together to work on the beautiful decorations for the Christmas tree in the Teachers' Caf. During the year visits are made to different Czech eating places, but the highlight of the year is the Czech banquet. Leaders of this group are Elaine Sailer, President; Blanche Hobart, Vice-President; Nancy Huss, Secretary; Julia Sievert, Treasurer; Pat Uridel, Point Keeper; and Miss E. Jahelka, advisor.

FUTURE BUSINESS LEADERS OF AMERICA . . . Plans for the National Convention were a major project for members of Future Business Leaders of America. One of the purposes of the club is to develop a closer relationship between high school training and the business world through acquaintance with local business. Several trips to exhibits and local business firms enabled the group to a better understanding of the business world. Throughout the year speakers gave informative lectures on job experiences, and often times films were shown. Sales are held in order to raise money. At the end of the year a formal initiation is held in the evening in the Little Theater, and all parents are invited to come. Officers of the club are Pat Cherry, President; Don Jirak, Vice-President; Marion Dunlop, Secretary; Charles Grillo, Treasurer; and Sandra Ford, Reporter. Mr. E. W. Ludwig and Miss S. H. Kusek are the advisors.

FUTURE HOMEMAKERS OF AMERICA . . . A desire to cook and to sew better is the aim of the members of Future Homemakers of America. At the meetings different and newer ways of preparing food are discussed, and often times demonstrations are given. In order to raise funds for the treasury, the girls plan several sales. At one they sell taffy apples; at another they sell bows — green for freshmen, yellow for sophomores, blue for juniors, and red for seniors. During the Christmas season Future Homemakers went caroling at MacNeil Memorial Hospital, and in the spring the girls took a tour of Pepperidge Farm with their advisor, Miss S. J. Kellogg. Assisting the advisor are Judy Tomko, President; Darlene Dothum, Vice-President; Gail Augustin, Secretary; and Alice Ann Peterik, Treasurer.

Camille Salerno, President of FTA, gives her group last minute instructions for the forth coming college trip.

FUTURE TEACHERS OF AMERICA . . .

Members of the Future Teachers of America Club enjoy meeting together to discuss highlights of the teaching profession. Problems are talked about, but eventually these clubsters wind up talking about various colleges. Emphasis is especially put on good teachers colleges. Tuition is another factor considered by Future Teachers. In the spring of the year the club takes a trip to a nearby college or university to better acquaint themselves with the schools of higher learning. Plans were made to visit Northwestern or the University of Chicago. To raise money for after school activities, Future Teachers Club sponsored a fudge sale. Mr. V. W. Skubikowski is the advisor of the group, and Camille Salerno is President; Carolyn Gruber is Vice-President; Betty Stursa, Secretary; and JoAnne Kavolis, Treasurer.

Mind and Model Builders

FUTURE CRAFTSMAN OF AMERICA . . .

The purpose of the Future Craftsman of America is to provide opportunity to those boys in vocational shop classes who aim to promote and uphold good craftsmanship. Meetings are devoted to the discussion of industrial and mechanical processes, although many times the hobbies of the members are talked about. To add more interest to their meetings, speakers are often obtained, and movies are shown to illustrate ideas. Demonstrations are also given. Throughout the year trips are taken to industrial plants in order to give the members a better insight of equipment. Social meetings are planned for after school, and boys with the same interests meet to have a good time. Officers of the club are Ron Steinke, President; Bill Schultz, Vice-President; Jerry Cicela, Secretary; and Joe Czelusniak, Treasurer. The advisor is Mr. P. R. Rohe.

Interesting parts of their projects are explained by Future Craftsman.

In this picture: F. Weiss, J. Novak, P. Vojtik, J. Cicela, J. Czelusniak, E. Belskey, G. Jezek, K. Honsik, P. R. Rohe, J. Victor, R. Steinke, J. Pernicka, T. Belina, B. Schultz, F. Johansin

RADIO GUILD . . . Every other Saturday one may hear "Moments with Morton" on WTAQ. Sports news is a must for every broadcast. A play written by an English class, a discussion about a current issue, or an announcement of a coming school event may be presented. Some of the selections from the rehearsal of an approaching concert are often recorded and used to create enthusiasm for it. Students write the script, and each member of the Guild has a chance to do the announcing. The programs are recorded in school then sent to the studio. These twelve to fifteen-minute programs are usually introduced by Mr. "Pop" Green, the Guild's advisor. Officers of the club are Carol Grachen, President; Judy Bozek, Vice-President; Gloria Nitz, Secretary; and Joy Dougan, Treasurer.

First row—D. Sharuin, A. Moen, J. Dougan, J. Szatkowski, A. Malek

Second row—M. Krenek, J. Ricar, M. Kouri, G. Nitz, B. Pribyl, C. Grachen, E. Karlecik, M. Uss

Two seconds to go and the Radio Guild's "Moments with Morton" will be on the air.

Communication Enthusiasts

RADIO ELECTRONICS CLUB . . . Although many of the members have a vocation electronics class, the only requirement for membership is a real interest in the subject. Boys who do not have a course in electronics gain knowledge about this fascinating subject through their membership. Mr. Lyle, faculty advisor, leads discussions on all phases of electronics. Occasionally electronic devices, such as the oscilloscope, are offered for experimentation and tests. Students learn to recognize the radio frequency by observing the curve on the screen. The capable leaders are President, Glenn Cizek; Vice-President, Bob Siska; Secretary, Robert Serbick; and Treasurer, Bill Hohe.

Writers of

WRITERS' CLUB . . . Members of this club under the direction of their adviser Miss Marjorie Diez, eagerly work toward perfecting their writing through the exchange of constructive criticism. Basic styles of writing are taught to inexperienced writers, while the experienced authors master the fine points of composition. Members of Writers' Club are the hard working individuals responsible for compiling and publishing **Trial Flights**. The industrious officers are Michael Ray, President; Eileen Makowske, Vice-President; Roberta Plachy, Secretary; and Robert Jensik, Treasurer.

WEEKLY CLUB . . . Students who feel they need to brush up on their news reporting and writing before applying for a position on the Weekly Staff, or students merely interested in how news is obtained, edited, and compiled are members of the Weekly Club. When the members do not understand their assignments or find them too difficult, Miss Marie Block, the competent adviser, guides the students toward the solution of their problems. If the copy is well written, it may be printed in the Mortonian Weekly.

Winning Words

DEBATE CLUB . . . Morton's teams are very busy participating in local and state-wide debates. They are always welcome in the social science classes to debate the current issue, which is usually a problem facing the nation. The successful, quick-thinking varsity debaters, Allen Barta, Tom Ortziger, Walter Loveland, Edward Formanek, and Diane Williams, provide the new members with an excellent example of the utmost in debating. All teams are coached by Mr. R. Kampschroer.

SPEECH CORRECTION . . . Under the guidance of Mr. C. A. Johnson and Miss B. Evko, students in these classes improve their articulation, their voices, and their speech in general. Later in the course, games give the instructor an opportunity to observe improvements in spontaneous speech. The enrollment of each class is limited to allow freedom for individual expression. Through conversation, drill, reading, and short talks the student learns to speak more effectively.

Mr. Johnson shows correct mouth position for vowel production as he works with his speech correction class.

MATHEMATICS CLUB . . . The club's purpose is to supplement each member's knowledge of the very important, ever-broadening fields of mathematics. During the meeting problems are exchanged by the students and Mr. Cherry, the group's advisor. **The Archemedian**, a book of challenging content, was compiled and published again this year to supply the non-member students with many unusual problems. The club is headed by Loretta Cihak, President; Al Lutkus, Vice-President; Connie Struska, Secretary; and Ed Formanek, Treasurer.

FUTURE DISTRIBUTORS OF AMERICA . . . Since this club is a supplement to the F.D.A. class, a student must be enrolled in the class to become a member. He must hold a part-time job in a retail store so that he can discuss the reaction he received when his newly learned selling techniques were put into practice. The group makes trips to variety stores, catalogue-order stores, and large department stores to compare the different methods used in making sales. The officers are Edward Sirovatka, President; Joseph Parizek, Vice-President; Norman Koutek, Secretary; Stanley Szczepanek, Treasurer; and Joseph Mikulec, Reporter.

Enthusiastic students prepare for the future by acquiring a working knowledge of the business world.

TICKET OFFICE . . . "Tickets on sale in the Ticket Office" is a familiar phrase around Morton. For who hasn't at one time or another bought a basketball ticket, banquet ticket, or an Annual ticket at the Ticket Office? Workers in the Ticket Office, which is located in the Student Cafeteria, are always busy from third through eighth hours. Through the hard work of these folk the lines keep moving. But still there is time for picnics, parties, and other activities. The advisor of the Ticket Office is Mr. R. L. Davidson.

STUDENT BANK . . . Deposits and withdrawals are the main concerns of the Student Bank, located in the southeast corner of the Cafeteria. The Bank is open during the sixth and seventh hours every school day for those desiring to make use of the school bank. Students who work in the Bank are chosen from their banking class and receive minor credit for working a full year. Mr. A. J. Frattinger is the advisor of this industrious group. This year's bankers are John Frattinger, Diane Froehlich, Diane Irish, Roberta Miller, and Cynthia Smith.

Mr. Frattinger looks on encouragingly as his advisees handle the affairs of the Student Bank.

CAMERA CLUB . . . Prize winning pictures are the aim of Camera Club members under the direction of Mr. D. F. Marsik. Contests held throughout the year enable the camera fans to demonstrate their skills. Photographers of picturesque places, this group has taken trips to the Chicago lakefront, the airport, and the zoo. Guiding Camera Club members are Richard Hurak, President; Phil Smith, Vice-President; Frank Jur, Secretary; and Bob Defenvaugh, Treasurer.

MOVIE MAKERS . . . Skill is required in making movies, but with the help of Mr. B. Mikula, the members of Movie Makers Club gain practical experience in taking movies at various school activities. The boys learn to operate movie cameras as well as projectors, and develop ability at all phases of movie making. Officers of Movie Makers are Ron Abluton, President; Harold Vokaty, Vice-President; Charley Kottal, Secretary; and Russell Beese, Treasurer.

Several camera fans gain experience developing pictures.

Projectionists at Work

OPERATORS . . . Visual Education has now become an important phase in Morton's curricula. Here at Morton we have one of the finest departments among high schools throughout the country. The boys who show an interest in movie projection are given gym credit to participate in this group. A captain is appointed for each period and it is his job to make sure things run smoothly and that classes receive the proper films. Under the fine instruction of Mr. B. Mikula they learn procedures in showing educational classroom films on many types of modern projectors. Courtesy and promptness are characteristic of the operators as they provide us with educational entertainment. Officers of the club are Glen Cizek, President; Joseph Svoboda, Vice-President; Donald Kopstain, Secretary. Mr. B. Mikula is the advisor and consultant of this large group.

Alert faces of our operators wait anxiously for the next assignment.

In Time With

BAND . . . Morton's band is one that we can indeed be proud of. They supply us with booming spirited music at the football games. These precision performers also display intricate patterns of marching on the football field. They also spur us on at the basketball games with their fine music. The Symphonic band has participated in two fine concerts, and also made a recording of the song, "Erryanthe". Mr. R. J. Dvorak with the assistance of Mr. T. A. Varges direct the band.

Musical Minds

An important part of our music department is our outstanding symphonic orchestra. This year they presented us with two fine concerts held in the auditorium. One of the concerts was unusual in that the chorus joined in with the orchestra to present an outstanding musical show. For the first time here at Morton the music department has also begun an annual Summer Camp which is open to all band and orchestra members. This provides them with an excellent opportunity to further their musical talents.

Upper—Virginia Radecki, Dorothy Noe, and Judith Bouzek intently play a new piece.

Harmonious melodies can be heard in the music department as the Aeolian Choir under the fine direction of Mr. C. H. Kickert meets. This group represents the finest vocal talent in the entire department. This year's group has traveled to Mooseheart to sing and also have participated in an exchange program. They also were invited to sing at the Palmer House for the areas High School Superintendents. This fine group is lead by Roberta Plachy, President; Tony Armagno, Vice-President; Arlene Cizek, Secretary-Treasurer; Bea Nemlaha, Librarian.

Joyous Melodies Echo Forth

Being a member of the Third Hour Girls Aeolian Choir is a big honor, as only those with ability and experience are chosen to be in it. Many of the numbers are done a cappella in preparation for the mixed choir, although a few numbers with accompaniment are learned, too. At Christmas time the Girls Choir joined in with the other choirs to present two wonderful musical performances, and in the spring a concert was given. The Aeolian Girls Choir works hard until perfection is achieved.

HI C CLUB . . . Enthusiastic members of Hi C Club gladly study the Bible to learn more about Christian ethics and morals. This nondenominational group plans exciting meetings, in which, perhaps, an outside male quartet may come and present a program of religious music. At other times well-known speakers give enjoyable lectures. Not being serious minded at all times, these clubsters enjoy swimming parties, skating parties, and even their basketball team. And twice a year they hold weekend retreats. Besides this the group publishes "The Shield", a monthly newspaper. The capable officers of Hi C are Gene Cech, President; Faith Zygutis, Vice-President; Emily Hradec, Secretary; Arlene Cizek, Treasurer; Betty Vicha, Editor of the "Shield"; and Don Childs, Co-Editor. Mr. J. H. Seaholm is the advisor.

The Art of Wisdom

ART CLUB . . . The desire to create is the only necessary prerequisite for membership in the Art Club. Beauty and design are among the important things discussed by these creative students. A board of officers directs the club's activities, which may be anything from painting an old fashion picture to constructing a futuristic mobile. Occasionally movies illustrating different phases of Art and explaining basic fundamentals are shown to the group. The club's work at the holiday season resulted in interesting "Christmas Mobiles" in our halls. Officers of this group are Marcella Slezak, President; Domini Tarvidas, Vice-President; Sharon Simmons, Treasurer; Joanne Jansa, Social chairman; Miss L. Tarachas is the advisor.

"This should be a deeper shade of green", Marcella Slezak, President of Art Club, suggests.

Footsteps to Faraway Places

TRAVEL CLUB . . . Here's a group that's really going places. It's Morton's Travel Club, where plans are always being formed for new and different places to be visited. The big trip of the year is the annual Colorado trip which offers students the chance to enjoy real western ranch living for two weeks. The group has also visited the historical spot of Galena, Illinois. Colorful maroon and white address books adorned with a gold "M" were sold this year. Mr. Kohout and Miss R. Matousek are the leaders of this happy group of travelers. Officers are Lorraine Malattia, President; Judy Sredl, Vice-President; Carolyn Capouch, Ass't Vice-President; Lois Kromer, Treasurer; Sandra Grassi, Secretary.

FOLK DANCING . . . All dressed up in the costumes of Czech origin, the members of Folk Dancing Club are ready to begin a Czech dance. Miss E. Jahelka leads them in the many dances of foreign countries. The girls enjoy learning about new customs, and gladly participate in the colorful dances. Throughout the year these girls can be seen working hard in order to achieve perfection. At weekly meetings Folk Dancing Clubsters see demonstrations of new dances. Following such a display, the group practices these steps and techniques. When all the steps are mastered, members of Folk Dancing Club are ready to perform for school functions and also outside affairs. Although the group dances just for pleasure, these dancers are acquiring a skill in a worth while subject. Music is provided for this ambitious group by Mrs. West. Officers of the club are Elaine Sailer, President; Marge Cerwin, Vice-President; Karen Osuch, Secretary; and Joan Gregor, Treasurer.

FROSH-SOPH GIRLS' CLUB . . . Activity reigns in the busy workshop of the Frosh-Soph Girls' Club. Twice a week these ambitious girls stay after school to work on their many projects. Members gather all their Christmas cards together and with colorful pictures from magazines make interesting scrapbooks. These books, along with toys that the girls collect, are sent to hospitals. At Christmas this year these underclass girls served refreshments at the dance. Mrs. F. R. Satz is the advisor, and Crystal Cousineau is the President. Other officers are Diane Spinka, Vice-President; Sharon Piccato, Secretary; Linda Sengstock, Treasurer; and Diane Druhn, Historian.

Barb Sladek and her officers plan their annual Booster Club dinner dance. J. Slovacek, A. Albrecht, M. Hicks, Mr. L. C. Prucha, Mr. S. J. Pace, B. Sladek

BOOSTER CLUB . . . "When do I sell, Barb?" These are familiar words to the members of Booster Club. One of the important activities of the club is selling refreshments at the games and supplying the hungry spectators with candy, hot dogs, and cokes. This year's outstanding activity is the annual dinner dance held at Ruth Lake Country Club in honor of Senior Athletes. The club awards trophies to outstanding players in football, basketball, and baseball. This year they included swimming and wrestling in order to promote interest in all sports. Officers are Barbara Sladek, President; Audrey Albrecht, Vice-President; Merrill Jane Hicks, Secretary; Jeanne Slovacek, Treasurer; they are advised by Mr. L. C. Prucha and Mr. S. J. Pace.

Selling refreshments at sports events are the primary interest of Booster Club members.

"Let's Go!" Win or lose the members of Morton's Pep Club are behind their team with rousing cheers and strong school spirit. Their main aim is to aid their team with good sportsmanship and lots of encouragement. You can always find them at the games, clad in their traditional white blouses. They're proud of their school, and they let you know it when they let loose with a loud "We're From Morton, Couldn't Be Prouder." The club is also interested in promoting interest in other school sports as well as the major sports. Leading her spirited members is Marilyn Goles, President; Sandy Conery, Vice-President; Carole Docekal, Secretary; Judy Kolar, Treasurer. Mr. Koehler is the advisor of this spirited group.

Maroon and White, Dynamite, is a familiar cheer of Pep Club members.

TALENT CLUB . . . Talented teens is a name characteristic of the enthusiastic members of Talent Club. No matter what your specific talent or ability is, if you are interested in entertaining the Talent Club is the place for you. This year's group presented two Talent Assemblies, the proceeds of which went to the Morton Welfare Committee. The biggest event of the year was the PTO Talent Show which is the sole money raising project for the PTO. The many gifted members display their talent outside of school as well as inside. They are recommended by the club to many local organizations where they entertain to gain valuable experience for the future. Mr. Kovanic is the director of these future stars. Officers are Barbara Lopez, Diane Kosatka, Joan Koza, and Pat Hanzlik.

Riding on Top

SADDLE CLUB . . . Back in the saddle again, the Morton riders again meet and join together in participating in the sport of horsebackriding. Good sportsmanship is stressed as the group discusses riding techniques. This club has been newly re-organized this year and is under the direction of Miss A. J. Jelinek.

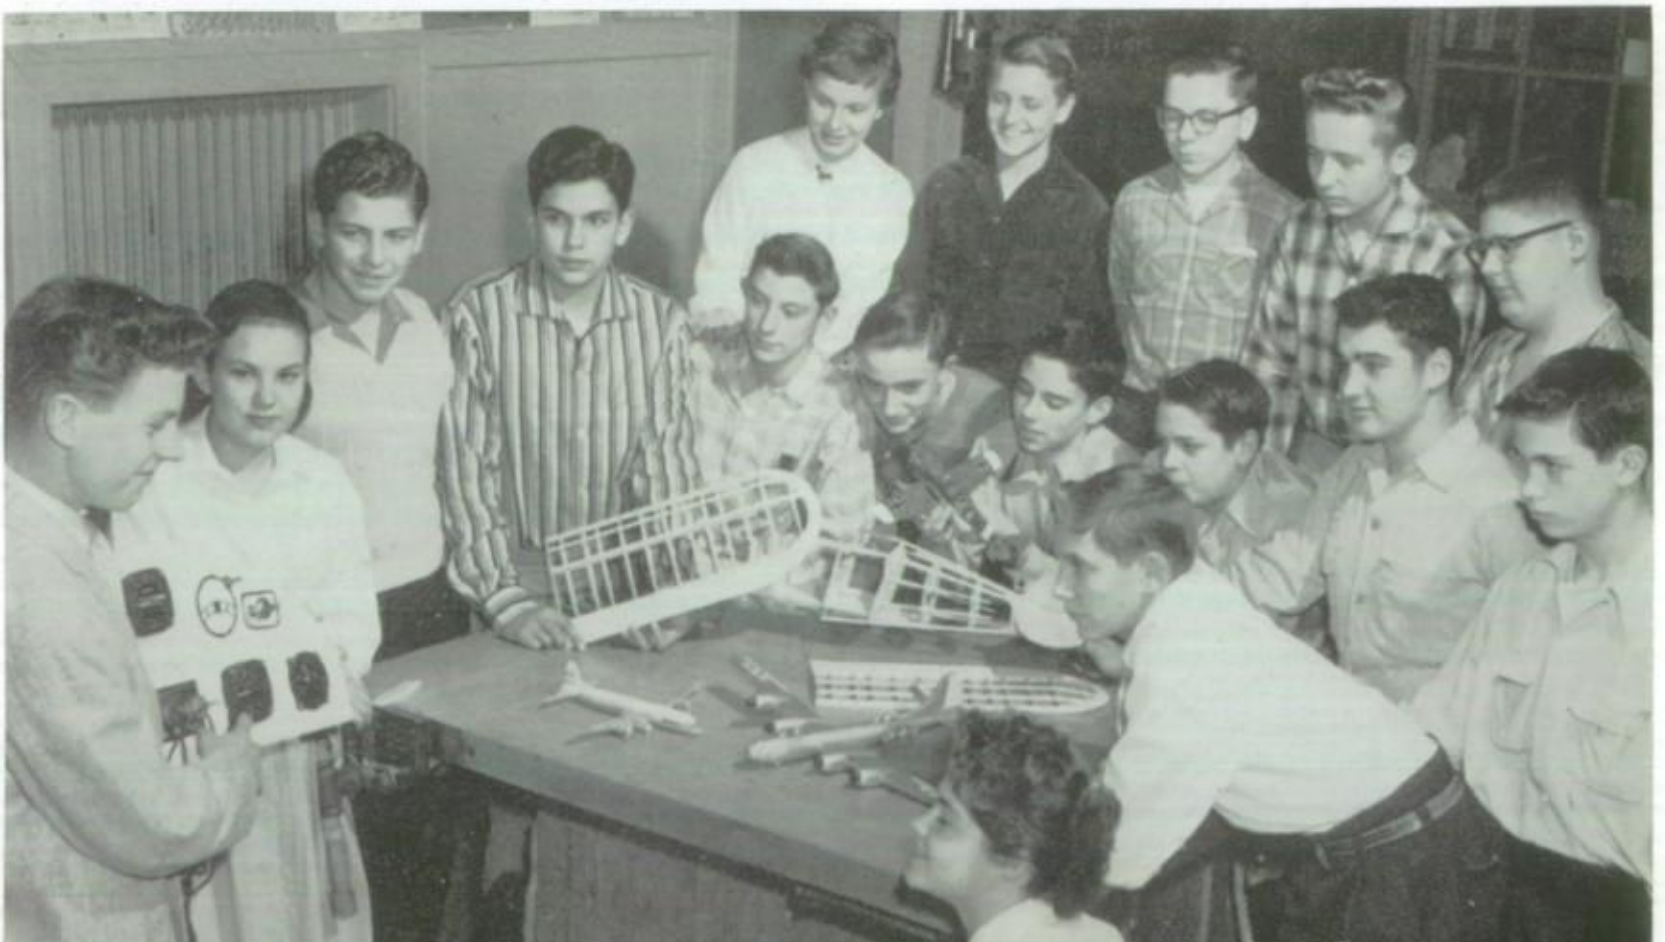

A love for horses and the out of doors inspires the Saddle Club members to strive for perfection.

SWIM CLUB . . . The annual swim show, "As We See It", was the club's most important activity this year. Members built the scenery, made the costumes, and choreographed the numbers. A capacity crowd at each performance rewarded them for their hard work. Three fourths of the proceeds from the show were donated to further mental research. Since the show was given in the fall, the swimmers had the rest of the year to perfect their techniques. To increase their knowledge of show production, the group made several trips to watch shows given by other schools. The pointers obtained will aid them in presenting next year's show. Any student who is interested in swimming and can pass the rigid test is welcome to join the club. The competent advisor of the group is Miss Ruth Berman. The officers are Marla Poncar, President; Bruce Barta, Vice-President; Margie Spolar, Secretary; and John Thomas, Treasurer.

CHESS AND CHECKERS CLUB . . . Anyone who enjoys these games or thinks he might if he knew how to play them may join the club. Every third week chess lessons are given by Mr. Prazak, the group's adviser. Checker lessons are given by Mr. Cherry on a request. During the first semester the meetings serve as a recreation period in which the students endeavor to improve their skill. Second semester activities include a tourney between club members, and more important, a school-wide contest. In addition chess teams of five or six men compete with the chess champions of other schools. The winners of these tournaments are determined by a point system. The club's leaders are Tom Euler, President; Tom Sladek, Vice-President; and Irvin Teml, Secretary.

STAMP CLUB . . . Any stamp enthusiast may become a member of this club. A collection is not necessary but is recommended because it stimulates interest and gives the owner a great deal of pride and satisfaction. Members gain and share knowledge during the first part of the meeting through group discussion and reports about new issues, old rare stamps, perforations, and water marks. The second part of the meeting is devoted to trading, buying, and selling stamps. These proceedings are carefully supervised by Mr. Ullery, adviser, in the interest of fair trade. The primary purpose of the club is to gain a more thorough understanding and greater appreciation of the variety of stamps. Officers of the club are William Riha, President; Fred Fairchild, Vice-President; Richard Wiedenhoeft, Secretary; and Arthur Jones, Treasurer.

MODEL RAILROADS CLUB . . . The construction of an intricate layout keeps Morton's railroaders very busy. Over one-hundred and fifty feet of O H gauge track is laid on the completed framework. Most of the plans are still on the planning board; but the group expects a city, street car and elevated lines, a freight yard, and rugged mountains to materialize in the near future. The members built some of the model cars which are now in operation. As many as ten trains can be operated at the same time. The purpose of the club is to get the most enjoyment from the entangling hobby of railroading. Mr. J. T. Williams, the club's adviser, aided by Joseph Legner, President; Richard Young, Vice-President; Edward Bel-skey, Secretary; and Richard Waters, Treasurer; act as a steering committee for the groups activities. An excursion to Wisconsin was made in the spring so that the group could go along on the last run of a Milwaukee steam engine.

Constructing a complete layout is one of the Model Railroad Club's projects.

CONDUCTORS CLUB . . . Any student in the music department with an interest in conducting is eligible to become a member. Mr. Kickert, the club's adviser, teaches the members, among other techniques, various hand movements which indicate proper interpretation of the music. Originally the club was organized to provide student substitutes to direct the choir in Mr. Kickert's absence. Its scope has broadened; now in addition to working with the school choir, Morton's conductors appear at public choir concerts. In the month of April several active members conducted the choir during a luncheon of principals and school administrators at the Palmer House.

CHEMISTRY CLUB . . . Usually the first part of the meeting is devoted to a report on an interesting phase of chemistry, or an experiment in which the members take part. The purpose of the club is furthered during the second part of the meeting when students experiment on their own and thus supplement their knowledge. The officers are President, George Soukup; Vice-President, Ken Bala; Secretary, Bob Freiburg; and Treasurer, Wayne Janda.

PHYSICS CLUB . . . The purpose of this club is to aid interested students in increasing their knowledge of physics. Mr. L. W. Johnson, the competent advisor, usually performs an experiment at the beginning of the meeting which is followed by a discussion. On trips to the University of Chicago and Illinois Institute of Technology, the students learned about these schools' physics departments. Physics Club's officers are John Kolar, President; Bob Knupp, Vice-President; Al Lutkus, Secretary; Chester Laskowski, Treasurer.

ASTRONOMY CLUB . . . Star gazing is only one of the activities of Morton's astronomers. Constellations are studied to learn location and history. New information about astronomy is brought to meetings and discussed. In spare moments members grind the telescopic lens. Under the expert direction of Mr. E. C. Mosevich and Mr. W. J. Jacobson, the members learn the proper use and care of the telescope. The club's leaders are Robert Heyda, President; Gene Brull, Vice-President and Treasurer; and Sheila Trumpis, Secretary.

SCIENCE CLUB . . . Members of this club are interested in all branches of science, such as astronomy, biology, chemistry, and physics. One of their activities included a trip to the Morton Arboretum chaperoned by Mrs. A. S. Lisy, faculty adviser, on which plant and animal life was studied. Basic curiosity is satisfied, but greater interest is stimulated during the Science Club meetings. Officers of the club are President, John Iannantuoni; Vice-President, Richard Kominowski; Secretary and reporter, Marcella Slezak; and Treasurer, Diane Prasil.

MORTONIAN WEEKLY . . . Condensation of current events and business of Morton's student population and faculty into one newspaper is the difficult but pleasurable task of our Weekly Staff. Time consuming work of interviewing, field coverage, photographing, writing, editing, proofreading, and circulating is necessary in order to put out a fine high school newspaper.

Dispatched from the Weekly Office on assignment from the editor, reporters can be seen scurrying about the halls interviewing people in the news, while photographers are at all events which promise exciting pictures. The writing of articles is done after notes from an interview or coverage are complete, and pictures have been selected and cropped. Correcting and sometimes altering stories are the jobs of the division heads as the editor-in-chief organizes everything into a varied and different layout each week.

A necessary supplement to the staff is Miss M. Bloch, its adviser, and with her able assistance the deadline on Tuesday is always met, so that an outstanding Mortonian Weekly is circulated throughout our school every Friday.

MORTONIAN ANNUAL . . . Down in the Annual Office, the room with the double doors just beyond the foyer, lies an exceptionally large canvas loose-leaf book called the bible. During the school year, the ideas, dreams, plans, and hopes of your Annual Staff go into this volume and from its carefully guarded secrets comes your Mortonian Annual.

Some of the first items considered in planning this yearbook are the theme, cover design, and color combination. Sometimes weeks of united efforts of the staff are required in bringing about a new and clever idea to carry throughout the book, in selecting an attractive cover design, and in choosing a harmonious color scheme which is different but still follows the school tradition. It is then up to the staff artist to expand and supplement these ideas with his artistic skill.

Most of the work on the Mortonian in the beginning of the year is done together, but gradually the section editors or co-editors proceed independently toward completion of their particular assignments. The efforts put into striving for an outstanding section are numerous: layout sheets must be designed and drawn for the bible; pictures must be carefully planned and scheduled for good pictorial stories; and copy, captions, and titles must be written in a stimulating and exciting manner. However, putting the duties of the staff into such general categories fails to tell of the days and weeks spent in contacting teachers, gathering senior information, and the identification of pictures.

It is the job of the business manager to record the sale of annuals throughout the year, and to keep an accurate account of all financial affairs, while the publicity manager inspires several sales campaigns so that the required quota of annuals is sold. As in any publication, the Annual has its deadline. For many members of the staff, Mr. Deadline is one who sneaks up from behind and taps them on the shoulder and says, "I'm here!" But the deadline must be met and always is, due in a great extent to the general managing of the editor-in-chief.

A project as large and expanding as putting out a yearbook could never be successfully completed without advice, and counseling, and experience. In other words, the staff could not do without Mr. Fox, the man with great knowledge, patience, and durability.

If you were to ask any one of this year's Annual Staff what he liked most about his year working on the Mortonian, he would most certainly reply, "I liked the kids." Often during an informal discussion down in the office about what is required for a successful yearbook, the conclusion has been reached that without close friendship and cooperation between the members of the staff, there could never be any Annual.

Behind the Camera's Eye

ANNUAL PHOTOGRAPHERS . . . During the first semester of the school year, the Annual Photographers spend much of their time taking and developing pictures for the pages of the Mortonian. One of the camera crew under the guidance and instruction of their adviser, Mr. C. O. Druschel, can usually be found at all sports events, parades, assemblies, and other important school affairs awaiting the opportunities to snap pictures which will provide an interesting and varied selection for the layouts of the Annual.

Practice makes a perfect photographer; and these boys acquire such training as they work toward compiling the required number of enumerated photographs of the second semester's work for Mr. Druschel, who is finishing his thirtieth year of teaching as well as advising the photography for the Mortonian.

Ginger Tackles the Gridiron

SENIOR PLAY . . . "Time Out for Ginger", the highly successful dramatic interlude of this year's senior class is a whimsical comedy about a player on the football squad of a small town high school. Although such a situation in itself is not especially witty, one outstanding feature adds to the merriment: the player happens to be a girl by the name of Ginger. Expertly directed by Miss Dryden, the presentation tells of the tiny gridiron heroine and her startled home town. "Time Out for Ginger" was double cast because of the enthusiastic and encouraging number of seniors auditioning for roles. Earl Talbot was awarded the Carnes Cup for good voice and diction, and his genuine portrayal of Ginger's humorous father won Dave Berner the Cogshall Cup for the best performance.

New Association Highlights

JUNIOR-SENIOR DRAMA . . . A new look in extracurricular drama has come upon Morton this year in that the four drama clubs have been incorporated into an association. Through this arrangement the theatrical groups still function independently, but each sends a representative to a central council where matters concerning the clubs are planned and discussed.

During the meetings, the senior group advised by Miss W. J. Dryden, and the junior section led by Miss B. A. Jelinek, practice all phases of acting from good diction to stage techniques, and from stage makeup to the production of plays. These clubs present a wonderful opportunity for the students of Morton to express themselves and their desires to act.

Members of Junior-Senior Drama Club learn from shared experiences in reading scripts.

The people in this picture are: Camille Hermann, Ginny Malek, Carole Medja, Annette Savickas, Nancy Carlini, Carol Gustafson, Jean Deegan, Carol Prasil, Carol Chirko, Joyce Shuster, Arlene Miller, Elizabeth Karlcek, Vivian Polz, Barbara Higgins, Sheila Dvorak, Bob Paveza, Roger Star, Georgia Sarussi, Jon Trefil, Carol Strom (standing)

FRESHMAN-SOPHOMORE DRAMA . . .

The great tragedies and comedies of the theater, past and present, are introduced to the members of the freshman drama group by Miss W. J. Dryden, and to the sophomore section by Miss B. A. Jelinek at the meetings of these organizations every other week in the Little Theater. As members of the drama association, these underclassmen become acquainted with the two classical types of dramatic productions not only by listening to the instruction and directing of their advisers, but also by dramatizing such kinds of plays often. The reading of a script does not require costuming and makeup to be effective, but the knowledge of such is often included in the club's programs.

Increasing numbers of underclassmen come out for membership in Frosh-Soph Drama.

A Year of Drama

DRAMA CLASSES . . . Very often English Classes are invited to see little plays in the Little Theater which are smaller versions of theatrical productions. Sponsored and directed by one of the drama classes, such as Miss B. A. Jelinek's fifth hour, the understandable characterizations included in the plays provide an opportunity for future actors and actresses to work in front of an audience. No matter how good an actor is at expressing his feelings, he must be able to do it for people. The students of Morton supply the people for the audiences of their fellow students interested in drama.

A few are happy, many are shocked, but two seem enraptured in one of Miss Jelinek's drama classes.

The people in this picture are: Lorraine Andreas, June Kahajek, Roy Vetava, Rosemarie Berda, Georgianna Tesinsky, June Vana, Bill Willis, Lewis Vites, Lynne Farrell, Sherry Brezina, Sandy Kard, Carolyn Radar, Marlene Kruzel

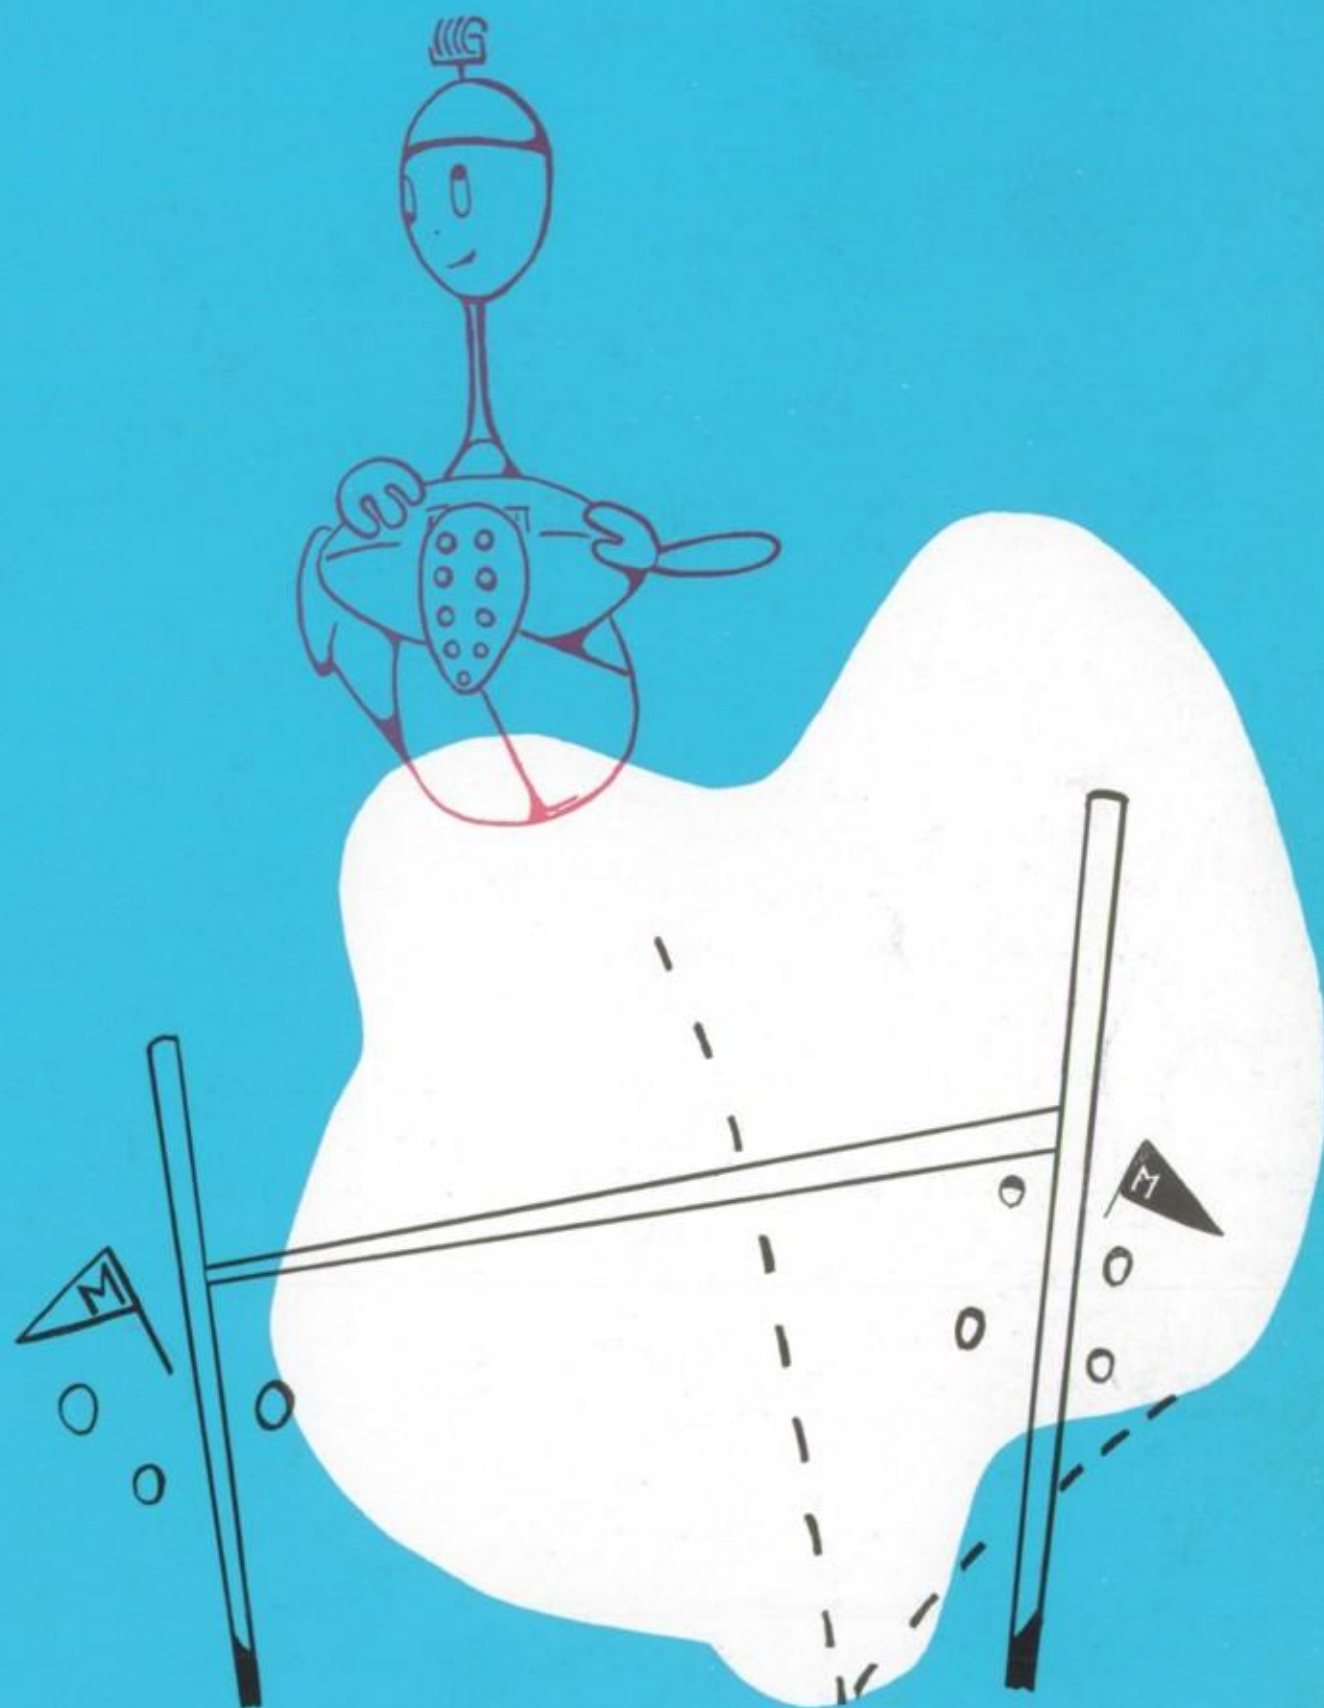

DRAMA CLASSES . . . For those contemplating drama as a career, and for the ones merely broadening their educational background, Morton offers several courses in the widening and varied field of drama. As in Miss W. J. Dryden's third hour class, all the drama classes practice the multifold phases of the theater. An actress or actor doesn't only need the ability to express his or her emotions, but they also need to speak effectively and use the tones and pitches of their voices correctly in order to successfully communicate with an audience. Coordination of these requirements is just one of the things taught in all drama classes.

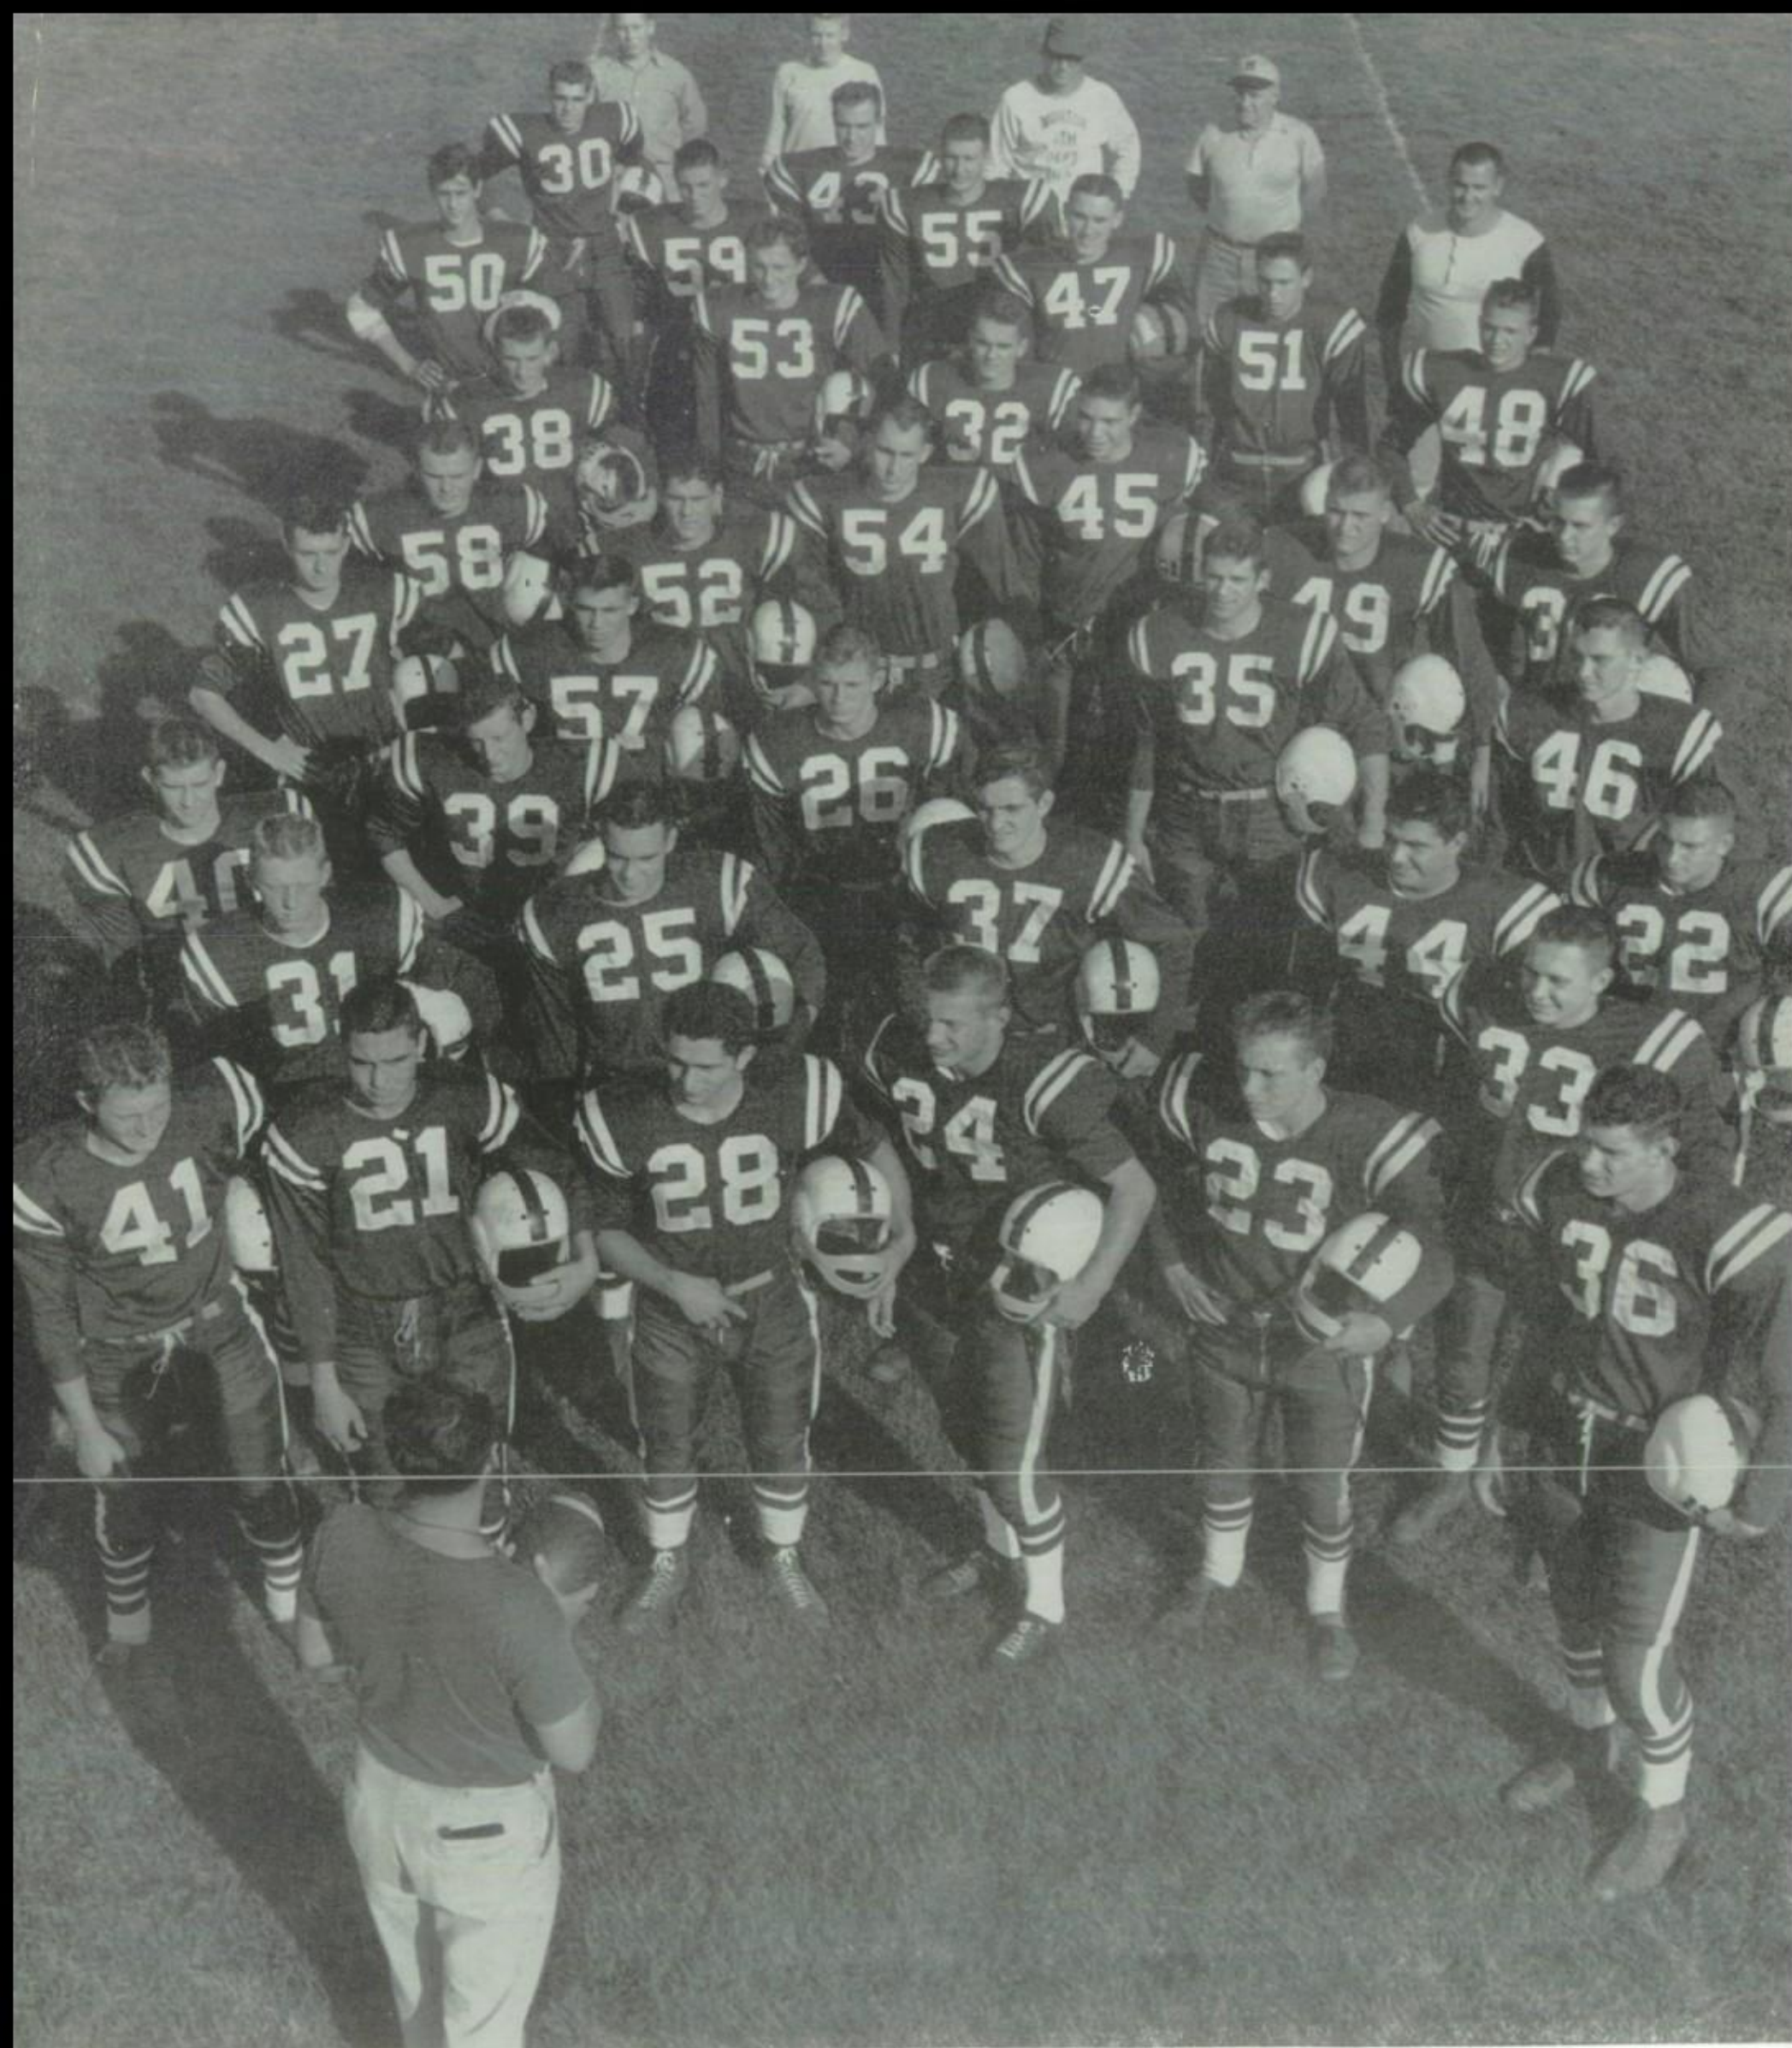

In Miss Dryden's drama class, participation in the reading of a play adds to the variety of studies.

Gridders Have Best Season

VARSITY FOOTBALL . . . Sparked by the all-American quarter-backing of Ron Miller, the Mustangs compiled one of the best records in Morton's history with a mark of 4 wins, 2 losses, and 2 ties.

After getting off to a bad start in the first half, the Mustangs came up from behind and fought to a 12-12 tie with Austin in the season's opener. Catching fire in the fourth quarter, Van Balen and Miller moved the ball 84 yards, climaxed by a TD by Miller. A Miller to Deegan pass clicked for the second score.

Morton easily trounced Highland Park, 39-12, outplaying the Little Giants both on offense and defense. Standouts on defense were Fero, Vais, Horalek, and Viliunas.

Before a keyed up Morton contingent, the Mustangs played spirited ball at Oak Park. Fighting valiantly, the Mustangs stopped the Parker's late fourth period drive, which had penetrated deep into Morton territory, to win 20-13 in a thrilling game.

Remaining undefeated in Suburban League play, Morton vanquished the Waukegan Bulldogs, 25-0. The triple scoring punch of Miller, Deegan, and VanBalen scored all four touchdowns, Deegan scoring two.

Bad spirits prevailed as Morton suffered its first defeat. The Proviso Pirates, playing sterling football before their homecoming rooters, made Morton's lonely touchdown look unimpressive compared to their four.

Our homecoming spirits were dampened, as New Trier's Indian's eeked out a 21-14 decision. Miller and Nedbal scored Morton's touchdowns.

Completely outplaying Niles before their homecoming fans, the Mustangs won 32-7. The Mustangs dominated play throughout the contest with four players scoring TD's. Marek scored two, with Deegan, Miller, and Denmark scoring one apiece.

Playing their best game of the year against Evanston, the number one team in the state, the Mustangs fought to a 14-14 tie. Morton outclassed their opponents in everything except the scoring column, the Wildkits capitalizing on two Mustang mistakes. Morton went ahead at the half 14-0 with Van Balen and Miller scoring the TD's. The lead was short lived as Evanston came back to score two quick TD's to even the score at 14-14.

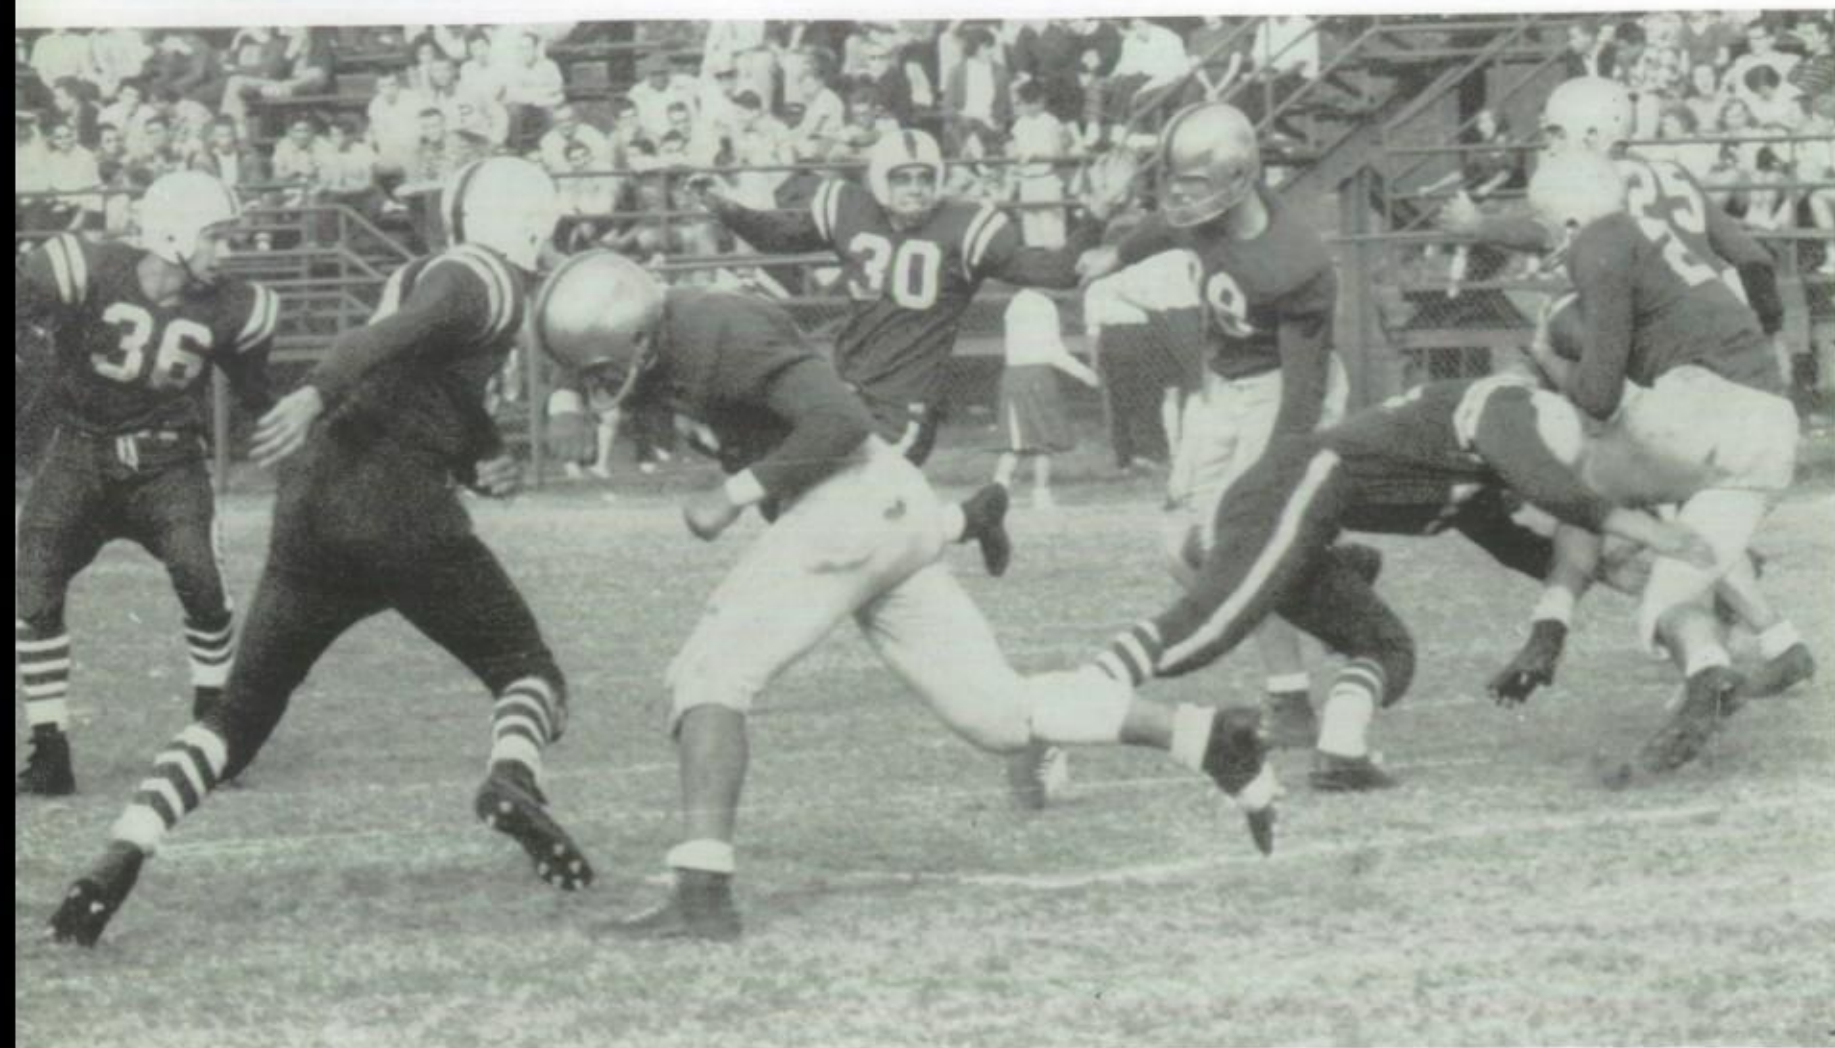

The members of the team gaining special honors were Ron Miller as All-American, All State, and first team offense and second team defense on All-Suburban; Bob Deegan as All-State and second team offense on All-Suburban; George Van Balen as All-Suburban second team offense; and Bill Fero and Bill Horalek as All-Suburban second team defense.

The Mustangs were under the able leadership of new head coach Jim Regan, assisted by line coach Bill Vohaska, backfield coach L. H. Batson, and end coach Bob Reynolds.

FROSH-SOPH FOOTBALL . . . Morton's Ponies turned in a fair overall season mark with 3 wins and 5 losses.

Scoring in the last 11 seconds of their first game, Morton squeaked by with a 20-18 decision against Austin. A Wallon to Gallian 45-yard pass was the clincher. Thoroughly pounding Highland Park, the Ponies shined in their first Suburban League game.

The tide changed soon, however, as the sophs were completely tied up by Oak Park, 31-14. Continuing in this slump, the Ponies unfortunately were squeezed out of the victory circle again by Waukegan, this time 12-7.

Morton's chances for supremacy in the Suburban League faded rapidly as the Ponies lost again, first at the hands of Proviso, 34-12, and then to New Trier, 13-7.

The Ponies edged Niles by 1 point for their third win of the season by a 7-6 score. In their season's finale, Evanston whipped the Ponies 47-20.

The Ponies were under the able leadership of Coach R. Kucera, who was assisted by Coaches Wojie and Geiger.

CROSS COUNTRY . . . Paced by Morton's cross-country twins, Larry Stepenske and Tony Armagno, Coach O. J. Kudrnovsky's Harriers turned in a 2-5 season record. The team got off to a good start by beating Highland Park 19-50, low score winning.

The tide soon changed, however, and the team dropped four meets in a row: Morton 35, Oak Park 24; Morton 30, Waukegan 25; Morton 57, Proviso 20; Morton 36, New Trier 25.

The team's schedule was interrupted by the Suburban League meet in which Larry Stepenske captured second place and Tony Armagno tenth in the two mile run. Both boys were awarded medals for their performances.

Their spirits still high after a good performance in the Suburban League meet, the Harriers went on to edge out Niles by one point, 29-30. The season ended on a bad note, however, as Evanston whipped Morton in the last meet of the season. The final score was 27-31.

The sophomore Harriers under the leadership of Coach Vopicka, turned in a 3-4 season record.

SOCCER . . . Coach J. Jahelka's soccermen turned in a brilliant 7-0 record in league play to capture the Suburban League crown. The team had two victories over Lake Forest, Oak Park, and University High. The team also held a win over Von Steuben.

Morton outscored their opponents during the season by scoring 38 points to their opponents 6. This record speaks for the ability of the squad.

Outstanding players during the past season were Tom Klabik, who played at center halfback, Alger Damusis, a forward, and Edward Fusek, the fullback. All of these players are seniors.

SWIMMING . . . Handicapped by a predominantly junior team, Morton's varsity swimmers finished their 1957 season with a 5-9 record in dual meets. The squad held victories over Riverside-Bkfld., Elmwood Park, and Argo.

High points of the year for the team came during the first part of the season. After being edged out by three points in their first meet of the season against R-B, Morton came back to trim the R-B squad in a return meet by one point. The final score was 39-38, and the meet proved to be one of the best of the year. It was not until the medley relay team of Frank Keros, Tom Oglin, Bruce Barta, and Leo Sklodowski whipped their competitors by four-tenths of a second that the meet was decided.

In the Argo meet, Morton ran up its highest point total of the year, as it scored first and second in every event for a "perfect" 70-7 win. John Thomas paced the team with two firsts in the 100-yd. back stroke and the individual medley.

At the R-B Invitational, Morton finished seventh in the thirteen team meet, which was won by Highland Park.

Competing in the Suburban League Meet at Highland Park, the varsity placed three qualifiers, Frank Bookout, John Thomas, and Bill Poulos, to finish in an unofficial sixth place.

The team closed its 1957 season in the State Meet held at New Trier. Coach Bond feels that the team will be quite strong next year, since it will lose only four senior lettermen in Sklodowski, Patyck, Keros, and Poulos. With swimmers such as Thomas, Bookout, Oglin, Pour, Roman, and Barta returning next year, the outlook seems bright.

The frosh-soph team, led by John Kastner, also had a 5-9 season record in dual meets.

Mustangs Capture

VARSITY BASKETBALL . . . The 1957 varsity basketball squad met with considerable difficulty in many of their league games this season. Competition this year in the Suburban League was exceptionally keen, and the loss of several close games proved to be the downfall of Morton's hopes for a Suburban League crown. The Mustangs finished their 1956-57 season in a tie for third place with a 9-5 record. Their overall season record was 17-7.

In their first game of the season, Morton easily stopped Riverside-Brookfield by a 51-33 score.

Highland Park also fell victim to the Mustangs' attack in the first league game of the year as Morton easily outplayed, outrebounded, and outscored the Parkers. The final score was 54-34. Dale Bryant led the Mustangs in scoring with 19 points.

The varsity's first loss came at the hands of Oak Park 59-58. The Huskies managed to squeak past the Morton team by a one point margin in one of the closest games of the season. Bryant again led the Mustangs in scoring with fifteen points. Al Trevis of Oak Park was high scorer for the game with 22 points to his credit.

New Trier caused the Mustangs little difficulty in the season's third game. Morton easily stopped the Green Wave 54-41 behind the accurate shooting of Bryant and Schafer, who scored 15 and 13 points, respectively.

Trailing Proviso throughout most of the game, it was not until the final sixty seconds of play that Morton was able to overtake the Pirates and go on to victory 62-61. The spectacular shooting of Zajicek and the rebounding of Scelonge and Hahn were instrumental in this important win.

During the Christmas vacation, Morton journeyed to Pontiac for the Pontiac Holiday Tournament, where they captured a third place trophy. In their opening encounter, the team easily turned back Kewanee 64-35 behind the shooting of Gruthoff and Schafer. Pontiac provided the stiffest competition in the second game of the tourney before they fell to the Mustangs' attack in the final seconds of play. Hillsboro eliminated the Mustangs from contention for the championship as they turned back the Mustangs in the third game 44-40. In the consolation flight, Morton easily stopped Streator 55-43 to capture third place.

In a non-league game against La Grange, it was not until the clock showed only 9 seconds remaining in the game that Morton was able to forge ahead of the Lions with the winning points. Schafer calmly dropped two free throws to break the deadlock and put Morton on top 63-61. Zajicek led the Morton attack with 27 points. Hahn and Gruthoff helped with 11 points apiece.

Back in league play, Niles provided stiff competition in the first half of their game, but the Mustangs scored a remarkable 47 points in the second half to trim the Trojans 69-58. The Morton squad demonstrated a well-balanced attack built around the shooting of Schafer and Gruthoff.

In an overtime battle against Waukegan, Morton was edged out of a closely fought contest by a score of 54-51. The score was tied at the end of regulation time 51-51, and an overtime was necessary before Waukegan was able to turn back the determined Morton squad.

Dennis Schafer demonstrates the ball handling ability that made him one of the league's top scorers.

Roger Hahn breaks through the defense and tries a lay-up shot for Morton.

Regional Championship

Morton was stopped in their game against Evanston by a 51-47 margin. Morton led through most of the game, but in the final four minutes, Tremaine and Young of Evanston began to hit, and the Wildkits overcame a nine point lead held by the Mustangs to win the game.

Starting the second round of play in the Suburban League, Morton whipped Highland Park by a 62-42 score. Schafer and Kracalik led Morton's shooting attack, and they were assisted by the defensive work of Bryant and Schafer.

Against Oak Park, Morton suffered another heartbreaking loss. After leading for most of the game, the Mustangs saw an 8 point lead disappear as Oak Park went ahead to win 61-57 in the last period. Hahn led the Mustangs with 16 points.

The New Trier game provided some of the best action of the season as the Mustangs edged out the Green Wave again by a 73-71 score. Brilliant shooting by both teams highlighted the game. Bryant and Kracalik led the scorers in the action-packed game with 19 and 17 points apiece.

Proviso provided a real see-saw battle in their contest, which the Mustangs also won by a 52-50 score. The lead changed hands 13 times during the game. It was not until the final minute of play that Morton scored the winning points. Kracalik and Schafer again did most of the Morton scoring.

Niles gave the Mustangs no trouble at all as they fell by the boards 70-62. Morton built a commanding lead early in the game and were never pressed again. Schafer, one of the league's top scorers, contributed 22 points to the Morton cause as he hit from both inside and outside.

The Waukegan game proved to be another close one. Once again, it was not until the final minutes of play that the Mustangs caught fire and passed Waukegan. Bryant put the team in the lead with a set shot from the outside as the clock showed only two minutes to play. Hahn and Schafer quickly added a pair of baskets to hold the lead, and Morton went on to win 57-55.

In the last league game, Morton, riding on the crest of a winning streak, put up a valiant struggle against Evanston, but their drive fell short as Evanston won the contest 51-50. This gave Morton a 9-5 record in league play and put them in a tie for third place in the Suburban League.

In the first game of the regionals at Hinsdale, Morton utilized a press defense to easily defeat St. Procopius of Lisle 73-41. The press again proved effective against Hinsdale as the Mustangs won their second game 33-30. Schafer led the scoring with 16 points.

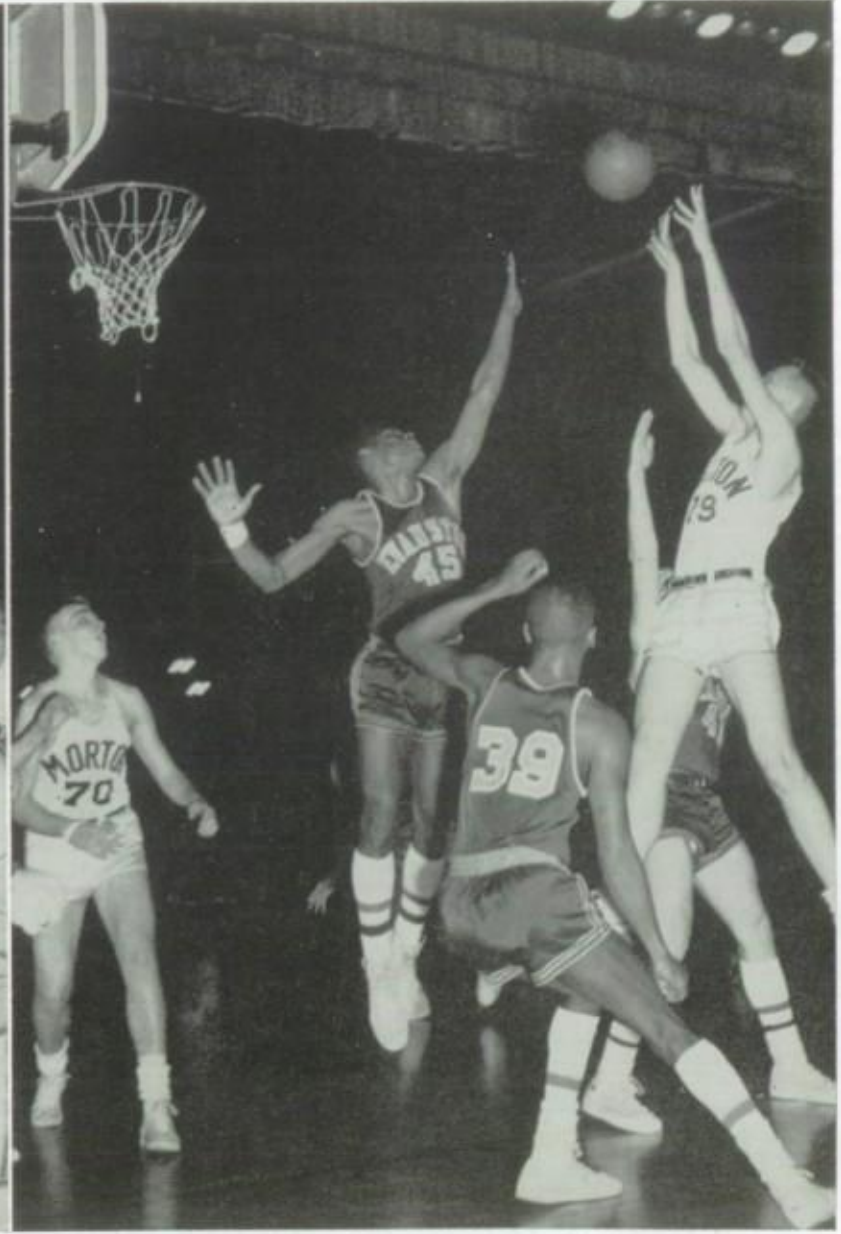

In the championship game of the regionals, Morton displayed a brilliant offense as they whipped Downers Grove 72-54 to win the regional championship and first place trophy. Schafer and Bryant scored a remarkable 51 points between them.

Aurora West eliminated Morton in the first game of the Aurora West Sectionals by a score of 51-47. Dennis Schafer again led the Mustangs in their losing cause with 14 points.

WRESTLING . . . Although the matmen had only a fair record of 5-8-1, there were many individuals who turned in fine performances. Those turning in winning records were Koziol, Danhour, Nelson, Langer, VanBalen, Siml, and Diedrich.

In sectional matches at Reavis, heavyweight grappler Joe Krcmer succeeded in capturing a fourth place. Mustangs who won their first round matches were Diedrich, Siml, Langer, and Koziol.

The Morton fans can look forward to winning squads in the next few years. The extensive search for good wrestling prospects, especially among underclassmen, has brought out many promising grapplers. Sophomore Coach Hedtke had two boys with unbeaten records and nine others with winning records. Several of the sophs wrestled on the varsity team of Coach Vohaska.

Having the great honor of being the first undefeated wrestling squad in Morton's history, Coach Ken Geiger's freshman team had a 7-0 won and lost record. Outstanding were Reese and Jacobsen, who wrestled both frosh and soph. Both had undefeated records. Other members of the team with winning records were St. George, Belousek, Kotrzynski, and Kessner.

Jim Danhour, Rudy Janota, Bruce Barta, Jeff Curtis, Frank Fencel, Tom Lukes, Jim Zakovec, and Bob Jonak. The advisor is Coach R. K. Kucera

BOYS' "M" CLUB . . . One of the highest honors which a Morton athlete can receive is membership in the Boys' "M" Club. Membership in this organization is granted only to those athletes who have done outstanding work in their particular sport, and who hold a varsity letter. Approval of the club members is necessary before membership is granted. The goal of all Morton athletes is membership in the "M" Club.

This select group is responsible for planning the "M" assemblies, at which all those athletes who have earned letters are presented with their awards before the student body. Any trophies which Morton's athletic teams have won during the past year are also presented at this time.

One of the biggest events of the year for the lettermen is sponsoring the yearly "M" Club Hop, which was entitled "Music In the Air" this year. Girls nominated by members of the club also vie for the title of "M" Club Queen at this dance.

Another important function of the club is selling programs at all of our home basketball games. You can always find a letterman who will be eager to sell you a program at a basketball game.

The members of the club have undertaken a difficult job this year. They are revising the point system for awarding letters to all athletes. The new system of athletic awards will go into effect next fall for all of our teams.

Other club activities include hayrides, splash parties, and the annual trip to the sand dunes each spring.

Mr. R. K. Kucera serves as the adviser of the "M" Club.

This year's championship baseball team fought its way to the Suburban League title with a 9-2 season record.

The baseball season got off to a fast start with the Mustangs whipping their first four non-league opponents, including Riverside-Brookfield, Blue Island, and Argo. Unfortunately, in the season's opener, they were edged out of the first half of a double header by New Trier; but they rebounded in the second half to win their first league game. Keeping in good form, they proceeded to conquer their next three adversaries, namely Oak Park, Niles, and Waukegan in a double header. After being stopped by Evanston, they went on to win their next four games against Proviso, Niles, and Highland Park. This insured the Suburban League crown for Morton. In the State Tournament, Oak Park edged the Mustangs in a close game 5-4.

Catcher Bob Krueger gets set for the crucial pitch.

The team turned in a brilliant .309 overall batting average for the season. Vince Mastrangelo led the sluggers with a .421 average, followed closely by Ron Miller with a .420 average. The moundsmen kept in step with an excellent 2.03 earned run average.

Next year's baseball season looks promising, since men such as Hahn, Krueger, Bryant, and Miller all are returning. Morton's varsity team was coached by R. K. Kucera.

The sophomore diamondmen, under the direction of Coach Hapac, turned in a 3-4 record. Outstanding on the team was Art Svehla, who had a batting average of .429.

TRACK . . . Led by Ted Beastall and John Janus, Morton's cindermen finished a fair season by taking fifth in the Suburban League meet. Ted Beastall, breaking a Suburban League record by better than three seconds, came in first in the 830 yard run, and John Janus took first for Morton in the shotput.

The tracksters started the season on a sour note as they lost to Proviso, 68-49, but they rebounded to whip R-B, 71-46, in their second meet.

The thinclads went on to beat North Chicago and Niles in a triangular meet, 80-42-24, respectively. In their next triangular meet, the thinclads didn't fare as well, finishing second to Evanston but beating Waukegan. In the season finale Oak Park trounced Morton, 76-48.

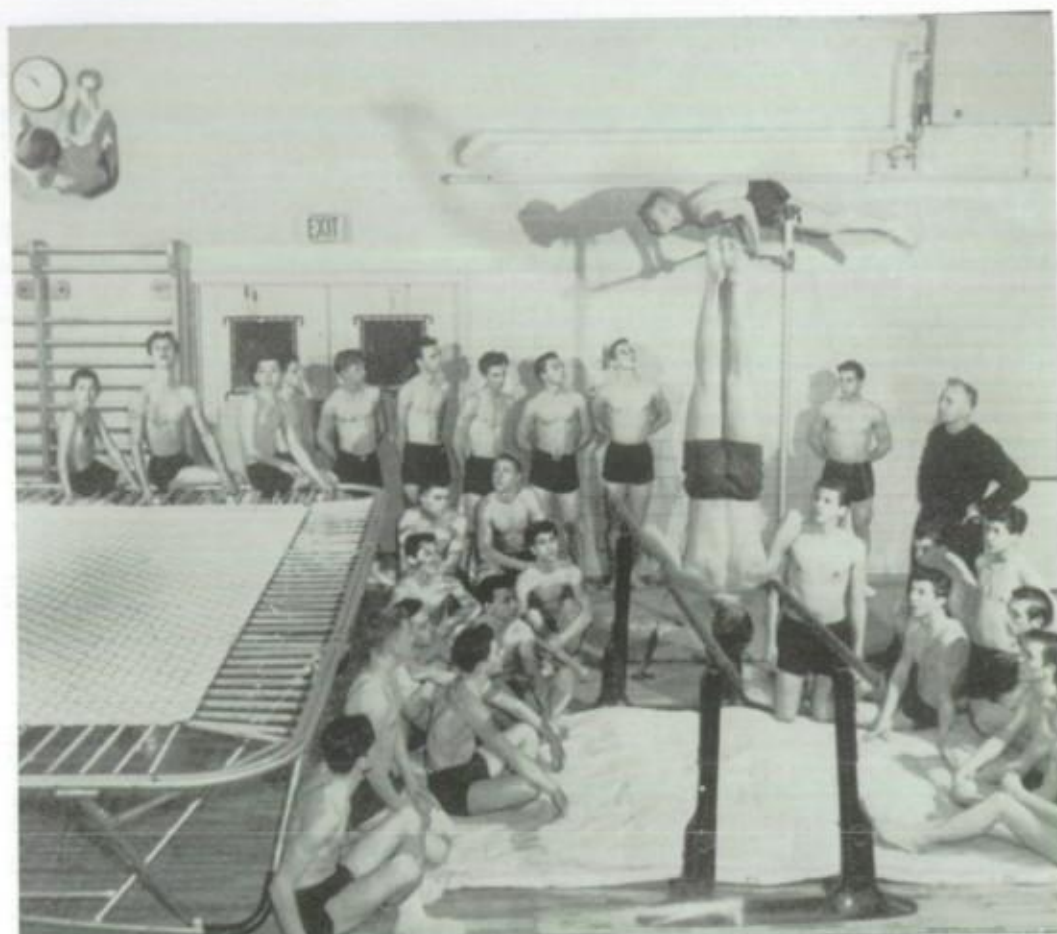

Ted Beastall finished second in the 880 yard run in the state meet, as he broke the state record.

Along with Ted Beastall and John Janus, other outstanding players were Dave Kremske, Pete Kalkus, Ken Drs, Karl Novak, and John Pouba.

Fun In Physical Fitness

TUMBLING CLUB . . . The purpose of the Tumbling Club is to promote health and physical fitness among the students through gymnastics and tumbling. The group participates in the Little Ten meet each year as well as the Physical Education Exhibition each spring.

A lot of interest in physical fitness is stimulated by the activities of the members of the club.

The officers of the club are Bob Freiberg, President; Bob Lyons, Vice-President; Bill Rourke, Secretary; and John Sanborn, Treasurer. The advisor of the group is Coach Kudrnovsky.

Members of the Tumbling Club are: J. Sanborn, R. Freiberg, J. Bejna, A. Kolar, J. Rojicek, B. O'Rourke, G. Kott, S. Herdzina, R. Lyons, S. Pilch, B. Ludvik, R. Jenkins, M. Mongello, M. Cecchi, R. HOCKEY CLUB . . . Members of the Hockey Club try to acquaint themselves with the fine points of the game of hockey. They sponsor informal games among themselves as well as with other local amateur teams. The club also attends several professional hockey games during the year.

The officers of the club are Ken Ferrantino, President; Phil Kegel, Vice-President; Bob Pribyl, Secretary; and Jim Pribyl, Treasurer. Mr. Burke acts as the advisor of the Hockey Club.

Setting the Pace

Two of Morton's Soccermen demonstrate the ability that brought Morton a championship.

Passing the baton is always a tense moment for the members of our track relay teams.

Leo Sklodowski and Frank Kerous team up on a close touch-off in the medley relay event in a swim meet against Argo.

It's another point for Morton as Ivan Janda, the pole vaulter, clears the bar for Morton.

Numerous Achievements

Gym has opportunities? Why yes, if you cultivate them. Opportunities to learn, meet people, and have just plain fun.

You can learn game and sport skills: how to spike a volleyball; make that basket; or pass the beginner's swimming test. By joining a specialized class such as leadership, modern dance, tumbling, or life-saving, you have a chance to meet girls with similar interests and develop grace and poise.

Besides that, in a girl's four year plan she has had hygiene, home nursing, mother and baby care, and first-aid providing still more opportunities for better health and frame of mind.

A gym class enjoying a spirited game of speedball.

Members of lifesaving class demonstrate the cross-chest carry.

Even more wonderful are the social opportunities. One really gets a chance to know people when one plays with them, works to win with them, or maybe even loses with them. Somehow it doesn't hurt so much to lose as a team.

Then there's the fun: going out to play baseball in the early spring without a sweatshirt; square dancing in foyer; swimming first hour on Monday morning; and who could forget social dancing.

Of course, the most exciting and biggest honor is being a Miss Morton candidate or seeing your best friend among the rainbow of beautiful dresses on stage the night of the gym exhibition.

through Activity

LEADERSHIP . . . Leadership, good sportsmanship, and interest in sports are qualities displayed by the girls who assist in the girl's gym classes. Besides these qualities a girl must have a recommendation from her former gym teacher, an 85 average, and a beginner's certificate in swimming to enroll in a Leadership class in her sophomore or junior year.

After a year of training in this class she is assigned to lead for a regular gym class.

Mrs. E. I. Murren and Miss R. L. Fisher are in charge of these girls.

These leaders provide an example for the girls in their classes to follow.

To join Lifesaving Club a girl must have a Jr. or Sr. Red Cross Certificate and be willing to act as lifeguard in at least one swim class a semester.

LIFESAVING CLUB . . . Organized to provide lifesaving aid in the pool in emergencies, the girls do that and much more. In the course of the year they treat bloody noses, minor falls, pick up towels, and assist in teaching swim skills to the swim classes.

The year's activities included a very successful cup-cake sale, a swim play-day including girls from the schools in the surrounding area, and a water ballet presented in the early spring in which the girls displayed their water ballet skills.

This year's officers are: president, Nancy Svec; vice-president, Marla Poncar; secretary, Gerry Patrick; and treasurer, Nancy Kaminski. Miss S. L. Jackson acted as adviser the second semester in the absence of Miss R. E. Berman, who is on a sabbatical leave.

GIRLS' ATHLETIC ASSOCIATION . . . Our G.A.A. at Morton is only a small part of a state-wide organization which seeks to bring together many girls interested in sports. Each year playdays held in the different schools give the girls a chance to see other clubs and their members in action. This year members took part in a state bowling contest, sold football and basketball pencils, and held their annual posture contest. Members and friends enjoyed a night of volleyball and dancing at the sock hop, "Devil's Delight", and a day of hiking and boating at the annual Fullersburg outing.

Officers are: president, Judy McClendon; vice-president, Arlene Pribramsky; secretary, Judy Riha; assistant secretary, Carolyn Hans; treasurer, Helen Novy; sportsmanager, Mariann Draut; assistant sportsmanager, Lois Yanus; social chairman, Joyce Frost; publicity chairman, Penny Cerwin; and historian, June Grzeskowiak. Mrs. H. V. Lotz was adviser first semester; Miss M. Larson served as adviser second semester.

Form in Motion

CREATIVE DANCE CLUB . . . The big event of the modern dancers year was their dance program "Champagne and Spurs". In group dances and smaller numbers the girls showed their interpretations of "Living in New York" and "Living out West". It told of the emotions, people and the background of the East and West. Choreography and props were done by members of the group with the aid of Miss Scribano. Films of the dance program were shown on T.V. and some of the girls did their numbers "live". They also appeared in the Talent Show and at one of the P.T.O. meeting.

This year's officers are: president, Joan VerHalen; associate president, Barbara Togias; secretary, Donna Veselsky; corresponding secretary, Lynn Waldvogel; treasurer, Candy Staffebach; and rehearsal manager, Judy Mankowski. Miss S. J. Scribano is adviser, and Mr. F. C. Petrtil is music director and accompanist.

Using movements to convey ideas, the dancers create many of their own numbers.

"Dancers all" is certainly the description of the officers and chairmen of Creative Dance Club.

Our School Spirit

CHEERLEADERS . . . At cold football games, pep assemblies, and basketball games the cheerleaders are always doing their best to perk up the school spirit; they provide the unifying force for the cheering section.

Every year a large number of girls try out for cheerleading; many girls try out two and three years in a row. The girls that do make the team must be good and have to have a good scholastic standing besides a pleasing personality and appearance.

The cheerleaders meet together to perfect their cheers and to work out new ideas. They also get an opportunity to meet cheerleaders from other schools in the league and compare notes.

Miss M. E. Flanders is the adviser of the team.

"Come on gang, let's hear you!" encourage the cheerleaders.

GIRL'S "M" CLUB . . . Have you seen girls in Morton with no make-up, uncombed hair, and mixed unmatched plaids? These girls are "M" Club initiates and have earned 1,000 "M" points through intramural activities making them eligible to become members.

Twice a year the club holds initiations. First semester a "pot-luck" banquet is held; the girls bring food and intramural teams decorate tables hoping to win a prize.

Spring initiation is a mother-daughter tea attended by "M" Club members, initiates, their mothers, and faculty members of the P. E. department.

Officers are: president, Irene Bukovsky; vice-president, Arlene Pribramsky; secretary-treasurer, Jan Kucienski; and sports manager, Kathy Travaglio. Miss A. Jelinek acted as adviser second semester in the absence of Miss D. J. Griesbaum.

Girl's "M" Club has concentrated on encouraging new members among the underclassmen by sponsoring different outside activities.

in Animated Action

TUMBLING CLUB . . . Morton's Tumbling Club brings together girls who are interested in developing tumbling skills and stunts. Every year the club holds tryouts in order to gain new members. A headstand, a limber, a handspring, forward and backward rolls, a cartwheel, a backbend, and forward and backward walkovers are required for membership.

The girls can earn points toward their "M" 's by performing different stunts and participating in exhibitions. This year the members worked out a number to music that was presented in the gym demonstration.

Officers are: president, Joy Jordan; vice-president, Nancy Rivecco; secretary, Marilyn Pagacnik; and treasurer, Sherrie Kratovil. Miss S. L. Jackson advised the club in Miss R. E. Berman's place.

BATON TWIRLING . . . In connection with the Morton Marching Band and on their own the girls performed at football games and marched in parades in nearby suburbs. They marched in Chicago this year for the first time in the St. Patrick's Day Parade.

At the beginning of the year anyone interested is invited to come out to learn or practice baton twirling and marching. Later on, tryouts are held; and the girls join one of the three divisions of baton twirling; the color guard, drill team, or baton twirlers.

Lorraine Herda is captain of the group this year; Jeanne Zasadil, her co-captain; Mary Black, co-captain of color guard; and Carol Zoubek, co-captain of the drill team. Mrs. E. J. Robinson is the instructor of the group.
